Creative SCOPE - JMC Academy

Creative SCOPE is JMC Academy's dedicated high - school outreach program for teachers, parents, Career Advisors, Career Practitioners and students to help them navigate through the huge amount of information on creative careers and industries.

Creative work in both traditional and non-traditional sectors has expanded and grown exponentially. However, it's also one of the hardest to keep up with. That's where the Creative Scope team come in.

As a team we want to walk you through what creative careers and industries entail and explain the opportunities available to young adults, giving you the confidence to support your student or child in this important decision.

We're super excited about this unique program and look forward to meeting as many passionate creatives and their biggest influencers and mentors!

AIM Start Me Up

27 Nov 21. 2:00pm – 4:00pm

Start Me Up is a two-hour music industry expert-led seminar dedicated to introducing you to the 21st century music business. You'll learn about careers in music – and discover how to start a career of your own.

You'll hear from a range of experts and artists about the skills required to succeed in the modern industry – including artist management, promotion, distribution and entrepreneurship. You'll hear from AIM students about how internship opportunities are connecting them with the music business before they even finish their degree.

Presenters include Ed St John – former CEO of Warner Music, Chair of ARIA and currently Chair of AIM; Tim Kelly – former senior executive at Universal Music, Sony Music, Inertia and Rough Trade; recording artist Josh Pyke ; Elana Stone – All Our Exes Live in Texas; Melody Forghani – Twnty Three artist management & promotion; Catherine Haridy – CEO Australian Music Centre, Catherine Haridy Management and former Director Association of Artist Managers; Sarah Hamilton – Regional Manager Ditto Music; Will Evans – Bandcamp ANZ ; and AIM Students.

Create positive change in your local community - What is Rotaract?

Rotaract is a global organisation that empowers students and young professionals to create positive and lasting change in themselves, their local community and around the world.

Rotaractors help, learn, and enjoy. We help those in need, learn through professional development opportunities, and enjoy social activities.

Partnering with [Rotary International](https://rotaryinternational.org/), the over 70 Rotaract Clubs across Australia are part of a worldwide organisation of 250,792 individuals in 10,904 clubs covering 184 countries.

Rotaract Members share a unique passion for taking action through not only ideas but planning and execution of projects and events. Where others see problems, we see solutions.

Enter the November 53-Word Story Contest!

Closes 15 November

Here's how to enter:

Email your story directly to 53wordstory@gmail.com by the 15th day of the month, midnight Eastern Time. NO ATTACHMENTS PLEASE! Your story should appear in the body of the email.

–Your story must be 53 words—no more, no less—titles are not included in the word count. Stories not meeting this rule will be disqualified. Send only stories; poetry with line breaks will not be considered. Hyphenated words count as one word.

–One submission per person. Since this is a free contest, there are no age restrictions.

Here's your prompt:

Pillows have come a long way. You can find pillows of down, feather, memory foam, Poly-Fil, buckwheat hull, microbead, wool, and much else. Some hotels have pillow menus for discerning sleepers. Not bad for a device that got its start, in part, by keeping bugs out of our hair, mouths, noses, and ears.

Write a 53-word story about support

<https://www.press53.com/53word-story-contest>

2022 Expressions of Interest for NSW Voice - UN

The 2022 Voice competition is projected to be held online or in-person in Term 4 for Year 7-10 students. Please use this form to express interest in being updated about the competition when additional information becomes available.

Voice is a unique public speaking competition that invites New South Wales high school students from Years 7-10 to solve real issues that affect our community, our country and our world. Whatever the issue may be, we want to hear you pitch your big ideas. Voice asks students to think outside the box and put their design thinking skills to the test in order to develop innovative and creative, yet feasible, solutions to real world problem\

If you have any questions you would like directed to the Convenor, please email nswvoice@unyouth.org.au.

<https://unyouth.org.au/event/voice-nsw/>

UNSW Elite Athletes, Performers and Leaders Program

2022 application is open.

The Elite Athletes, Performers and Leaders (EAPL) Program supports students with a flexible entry process that considers both academic and elite achievements and recognises these by awarding adjustment factors.

Students can be considered for EAPL points for undergraduate study at UNSW. The EAPL Program awards up to five points to high school leavers who have excelled in areas of sport, academia, leadership, and/or music at an elite level. Activities and/or commitments must have been undertaken in years 11 and/or 12.

Students must submit an application and provide supporting documentation by 10 December 2021 to be considered for adjustment factors.

[Check here for more.](#)

UNSW Medicine Entry Changes

In light of recent changes to the HSC exams and ATAR release date, we have [updated the UNSW Medicine application timeline](#) for our 2022 intake in order to ensure it is fair and equitable for all applicants.

Interviews will commence on the day of ATAR release (20 January 2022). Students competitive for an interview will be notified via email by 10am on Thursday, 20 January 2022. All UNSW interviews will take place online via Zoom and applicants will need to be available for their allocated timeslot. Please note that students may receive an invitation for an interview held on the same day and are therefore advised to closely monitor their emails.

The interview selection process remains unchanged and is based on the competitiveness of a student's Academic Merit (e.g. ATAR) and UCAT ANZ results. For more information on the interview selection process, please visit the : [UNSW Medicine website](#).

UTS Celebrates World Science Day Four Great Webinars

Jobs of the Future

24 November 2021. 10am to 12.00

What will the Jobs of the Future be? What skills and qualifications are needed for future employment opportunities?

About this event

What are the jobs of the future likely to be? What can tertiary education providers be doing now to produce graduates with the skills and knowledge that companies are increasingly going to be looking for? What type of roles are Canberra's current high-tech, high-growth companies creating, and what do they look for in recruits? How can Canberra attract and retain the best and brightest in a globally competitive recruitment marketplace? Join our panel of experts as they discuss these issues and more. Let's start the conversation that will ready our students and our city for the future of employment.

<https://www.mq.edu.au/study/admissions/entry-requirements/domestic/macquarie-entry/adjustment-factors/big-history-scheme>

Enterprising Girls Challenges

App Girl Challenge:

Be in the running to win an Enterprising Girls prize pack by coming up with an app idea that would help the world be more sustainable. We will be awarding an Enterprising Girls pack each month, so make sure you are in to win :)

<https://enterprisinggirls.com.au/enterprising-challenges/>

Design Girl Challenge:

Successful business women know how to convey a message about their product or service. This can be done through storytelling, images, video and even music which then creates an emotional response from their customers.

<https://academy.enterprisinggirls.com.au/public/course/competitions/design-girl>

Community Girl Challenge:

Girls are great problem solvers. We are creative thinkers and great at working together to find a solution to a problem. These are very important skills if you'd like to be a successful entrepreneur or help make the world a better place! The best businesses don't just create a cool new product to buy, apps to use or services to experience.

<https://academy.enterprisinggirls.com.au/public/course/competitions/community-girl>

Pitch Girl Challenge:

Having a great business idea one thing, but convincing others how awesome your idea is can be another entirely different challenge. Which is why great Girl Founders have become masters of something called 'The Elevator Pitch.' It's the idea that you've only got the length of an elevator ride to convince someone your business is the real deal. Is it worth their time, energy and money? In reality, it's less time than a TikTok video.

<https://academy.enterprisinggirls.com.au/public/course/competitions/pitch-girl>

Inspire Girl Challenge:

Girl Founders are women who have created their own business, and we think that's pretty awesome. For a long time, businesspeople have been portrayed as men in suits in big boardrooms. But that doesn't match the reality of the business world which is full of amazing women running their own companies. Which is why we are proud to showcase a number of Girl Founders across Enterprising Girls as inspiring role models.

<https://academy.enterprisinggirls.com.au/public/course/competitions/inspire-girl>

Tocal Farming and Agriculture Scholarship Program

Most close at the end of November 2021

Benefactors' contributions allow up to 60% of our students to receive a scholarship to assist them with their regular College fees.

Scholarships vary in amount from \$1,000 to \$5,000 per student and are allocated by an Independent Scholarship Selection Panel. The main selection criterion is financial need, but other important considerations include likely contribution to community, dedication to studies and intended career path.

A single [Scholarship Application Form](#) is available which applies to all scholarships generally. A small number of scholarships have specific selection criteria requested by the benefactor which is usually associated with the applicant's chosen field of work. Unless otherwise stated, applications for the above scholarships close at the end of November. Successful applicants are notified in December/January. A covering letter providing information on the financial position of the applicant and their family (including taxable income) is recommended.

Scholarships are available to full-time students only. A description of the Scholarships available is provided below:

<https://www.tocal.nsw.edu.au/students/future-students/financial-assistance>

Application form here:

https://www.tocal.nsw.edu.au/data/assets/pdf_file/0011/1149626/Scholarship-application-form.pdf

Harvest Trail Information Service

Not sure which provider to contact in your area? Whether you are looking for harvest work or needing to hire workers, you can call the Harvest Trail Information Service (HTIS) Monday to Friday 8am to 8pm on 1800 062 332 for advice.

<https://jobsearch.gov.au/harvest/providers/harvest-trail-information-service>

Find out if harvest work is right for you and how to apply for jobs

From grape harvesting in the Hunter Valley to mango picking in Darwin... you could be among the thousands of people who find work each year helping to bring in Australia's fruit and vegetable harvests.

Harvest jobs are available across Australia – but please don't go directly to farms.

<https://jobsearch.gov.au/harvest>

Can I do harvest work?

Harvest work in Australia involves a variety of jobs like fruit or vegetable picking, packing, pruning and planting. The type of work varies between locations and the time of year. Jobs are available in harvest areas in most Australian states and territories. Jobs are seasonal and can range from just a few weeks to six months or more.

<https://jobsearch.gov.au/harvest/workers/about-harvest-work>

Searching for harvest jobs here:

The Harvest Trail Jobs Board is the best place to find harvest jobs in Australia. Harvest work is seasonal, and you'll find a variety of job opportunities across most Australian states and territories. Depending on the season, you'll find jobs ranging from farm labouring to crop picking, planting, pruning, or packing.

<https://jobsearch.gov.au/harvest/workers/find-jobs>

Reminder - NCSS Summer School Update for 2022

The National Computer Science School (NCSS) Summer School is a ten-day summer school for students going into years 11 and 12. NCSS brings together talented young people from around Australia for an intensive course of computer programming and website development at university.

Unfortunately, due to COVID-19 we are unable to run the summer school in 2022. The continued lockdown in Sydney and Melbourne has made it essentially impossible to organise NCSS logistics for January. We realise this is disappointing (we are disappointed, too!), but we hope you understand that the current circumstances make it impossible to organise an in-person activity of this size and complexity.

If you would like any further information, please email summerschool@ncss.edu.au.

<https://mailchi.mp/aca/aca-update-646081>

VET Business Services

ARC Group Training offers Business Traineeships

As a registered Group Training Organisation (GTO), [ARC Group Training](#) specialise in helping school leavers start their business careers.

We connect school leavers with companies of all shapes and sizes, placing them in full time roles for 12 months while they complete a nationally recognised qualification.

A traineeship is a 12-24 month program where you will have the opportunity to work, gain practical experience, achieve a nationally recognised qualification and get paid! ARC Group Training specialises in Business Traineeships, so you will see yourself working in an office environment while completing a Certificate III qualification.

ARC Group Training are partnered with a number of organisations in a variety of different industries, which means you will have direct access to some of the best employers in Australia!

Our aim is to match you with the perfect job that suits your interests, skills and career goals. Our team is passionate about guiding you in your chosen career and will provide you with mentoring and support throughout your traineeship!

<https://arcgroup.com.au/>

Australian Careers Business College ACBC Traineeships Available

The world is changing fast and ACBC is ready to help shape the career of school leavers in 2022. Enterprising Girls Challenges

App Girl Challenge:

Be in the running to win an Enterprising Girls prize pack by coming up with an app idea that would help the world be more sustainable. We will be awarding an Enterprising Girls pack each month, so make sure you are in to win :)

<https://enterprisinggirls.com.au/enterprising-challenges/>

Design Girl Challenge:

Successful business women know how to convey a message about their product or service. This can be done through storytelling, images, video and even music which then creates an emotional response from their customers.

<https://academy.enterprisinggirls.com.au/public/course/competitions/design-girl>

Community Girl Challenge:

Girls are great problem solvers. We are creative thinkers and great at working together to find a solution to a problem. These are very important skills if you'd like to be a successful entrepreneur or help make the world a better place! The best businesses don't just create a cool new product to buy, apps to use or services to experience.

<https://academy.enterprisinggirls.com.au/public/course/competitions/community-girl>

Pitch Girl Challenge:

Having a great business idea one thing, but convincing others how awesome your idea is can be another entirely different challenge. Which is why great Girl Founders have become masters of something called 'The Elevator Pitch.' It's the idea that you've only got the length of an elevator ride to convince someone your business is the real deal. Is it worth their time, energy and money? In reality, it's less time than a TikTok video.

<https://academy.enterprisinggirls.com.au/public/course/competitions/pitch-girl>

Inspire Girl Challenge:

Girl Founders are women who have created their own business, and we think that's pretty awesome. For a long time, businesspeople have been portrayed as men in suits in big boardrooms. But that doesn't match the reality of the business world which is full of amazing women running their own companies. Which is why we are proud to showcase a number of Girl Founders across Enterprising Girls as inspiring role models.

Reminder - NCSS Summer School Update for 2022

The National Computer Science School (NCSS) Summer School is a ten-day summer school for students going into years 11 and 12. NCSS brings together talented young people from around Australia for an intensive course of computer programming and website development at university.

Unfortunately, due to COVID-19 we are unable to run the summer school in 2022. The continued lockdown in Sydney and Melbourne has made it essentially impossible to organise NCSS logistics for January. We realise this is disappointing (we are disappointed, too!), but we hope you understand that the current circumstances make it impossible to organise an in-person activity of this size and complexity.

If you would like any further information, please email summerschool@ncss.edu.au.

VET Primary Industries

Total Farming and Agriculture Scholarship Program

Most close at the end of November 2021

Benefactors' contributions allow up to 60% of our students to receive a scholarship to assist them with their regular College fees.

Scholarships vary in amount from \$1,000 to \$5,000 per student and are allocated by an Independent Scholarship Selection Panel. The main selection criterion is financial need, but other important considerations include likely contribution to community, dedication to studies and intended career path.

A single [Scholarship Application Form](#) is available which applies to all scholarships generally. A small number of scholarships have specific selection criteria requested by the benefactor which is usually associated with the applicant's chosen field of work. Unless otherwise stated, applications for the above scholarships close at the end of November. Successful applicants are notified in December/January. A covering letter providing information on the financial position of the applicant and their family (including taxable income) is recommended.

Scholarships are available to full-time students only. A description of the Scholarships available is provided below:

<https://www.tocal.nsw.edu.au/students/future-students/financial-assistance>

Application form here:

Landscaping – How do I find an apprenticeship position?

There are many different ways to find an apprenticeship position, from contacting landscaping companies directly to listing yourself with apprenticeship organisations.

Through our representation at careers expos, our links to TAFE institutions, our active presence at landscaping and other expos, as well as our prominent website, we are often the first place individuals turn to in finding an apprenticeship position and we receive many calls and emails from employers looking to hire apprentices.

We can connect you with businesses looking to take on an apprentice in your area. You can fill in our 'Apprenticeship Expression of Interest Form' below and we will contact you shortly to discuss apprenticeship opportunities.

The Australian Apprenticeship Support Network (Apprenticeship Network) is also able to assist with recruiting apprentices.

Apprenticeship Expression of Interest

Registering your interest in an apprenticeship is easy. Simply fill out the form below and we will be in contact shortly.

<https://www.landscapeassociation.com.au/become-an-apprentice/>

Harvest Trail Information Service

Not sure which provider to contact in your area? Whether you are looking for harvest work or needing to hire workers, you can call the Harvest Trail Information Service (HTIS) Monday to Friday 8am to 8pm on 1800 062 332 for advice.

<https://jobsearch.gov.au/harvest/providers/harvest-trail-information-service>

Find out if harvest work is right for you and how to apply for jobs

From grape harvesting in the Hunter Valley to mango picking in Darwin... you could be among the thousands of people who find work each year helping to bring in Australia's fruit and vegetable harvests.

Harvest jobs are available across Australia – but please don't go directly to farms.

<https://jobsearch.gov.au/harvest>

Can I do harvest work?

Harvest work in Australia involves a variety of jobs like fruit or vegetable picking, packing, pruning and planting. The type of work varies between locations and the time of year. Jobs are available in harvest areas in most Australian states and territories. Jobs are seasonal and can range from just a few weeks to six months or more.

<https://jobsearch.gov.au/harvest/workers/about-harvest-work>

Searching for harvest jobs here:

The Harvest Trail Jobs Board is the best place to find harvest jobs in Australia. Harvest work is seasonal, and you'll find a variety of job opportunities across most Australian states and territories. Depending on the season, you'll find jobs ranging from farm labouring to crop picking, planting, pruning, or packing.

<https://jobsearch.gov.au/harvest/workers/find-jobs>

Carecareers In NSW

Are you looking for a career that helps you meet your goals while helping others to achieve theirs? If so, this is a great place to start. In NSW, more new jobs are being created in Disability, Community and Aged Care than in any other sector. It's an exciting time as the sector is expanding to transform the lives of those in the community.

<https://www.carecareers.com.au/carecareers-in-nsw/>

Disability Jobs In NSW

With the advent of the National Disability Insurance Scheme (NDIS) the disability sector is expected to grow by 90,000 FTE employees. That equates to hundreds of thousands of full-time, part-time and casual jobs.

If you are looking for entry-level vacancies in front line support, you will need to search for jobs with titles like these:

- Direct Care Worker
- Disability Support Worker
- Lifestyle Support Worker
- Personal Care Assistant

<https://www.carecareers.com.au/page/disability-jobs-in-nsw>

Aged & Community Care Jobs In NSW

Aged care is a huge industry and it is expanding rapidly. Australia's aged care workforce is expected to grow to over 800,000 by 2050, which means there are many, many opportunities for people to become involved.

Community care services support people to live with dignity and independence in their own homes and to avoid social isolation. These services are aimed at the elderly and those who have mental illness, disability or are otherwise disadvantaged.

AGED CARE entry-level job titles:

- Assistant in Nursing
- Home Care Worker
- Lifestyle Assistant
- Personal Care Assistant
- Residential Care Worker
- Undergraduate & Graduate Nurses
