

SHEPP HIGH SOCCER NEWS

CONGRATULATIONS to the Shepp High Senior Boys Soccer Team for getting into the SJSA Grand Final. They played a strong match against Grammar Gold on Saturday to come out winners 4 goals to 2. All 15 boys put in an awesome effort throughout the whole game. Well done to all players and their Coach Glen and Assistant Shabs.

The Grand final is being played on the Main Pitch at McEwen Reserve on Saturday 5th September at 4.00pm. Players are to meet at the soccer canteen at 3.00pm. Please remember to wear black shorts and black socks and shin guards. Bring tape if you need it and water. Oranges will be supplied.

Also Congratulations to the Under 15 Boys for making it to the Prelimination Finals on Saturday. Unfortunately Notre Blue were too strong on the day and they won 1-0. Maybe next year boys!! Well done to their Coach Shaban and Assistant Emi for getting the boys this far in the competition and also to their helpers Gresi and Angelo.

Presentation Night – Our end of Season break up will be held on Thursday September 10th in the PL Centre at School at 6.30pm. All Shepp High Soccer Club registered players are invited to come along to celebrate the end of the season with their team mates, coaches and team managers. Pizza and a drink will be supplied for the players as part of their registration. Family members are also welcome to attend. A small cost of \$5.00 will be charged for family members wishing to eat with the players. Please txt Leanne with your name and how many family members wanting to eat so I can order extra (0417 457 186)

2016 Soccer Season- Next year the Soccer Club will be looking to have more parent input into the Club and their child's team. Either by helping with coaching, team managers, committee members to assist in making decisions and running the BBQ for fund raising. This will also extend to parent accountability for players behavioural issues on the field. We are volunteers and happy to support our child's sport and their team but are not willing to deal with other players inappropriate behaviour.

Unfortunately, if we do not get a lot more parent support next year then the Shepp High Soccer Club will not enter teams in the SJSA competition for 2016. The Club is not run by Shepparton High School but is run by parents of students who attend Shepp High who want to play soccer in the Saturday competition. The school gives us continuous support by allowing us to use the School name for our teams, allows us to hold Registration and Presentation nights at school and collects registration payments on our behalf through the Bursars office. All these things are offered to support the students of Shepparton High School.

HOPE TO SEE MANY SUPPORTERS AT THE GAME ON SATURDAY! GO SHEPP HIGH!!
