WHAT'S BEEN HAPPENING

Dear TeamKids Families,

What a wonderful two weeks we have had at TeamKids. The children have been actively involved in creative, social and meaningful experiences, with lots of opportunities to share their ideas, develop new skills and celebrate special events.

Book Week- Week 7 was all about celebrating the joy of books and storytelling. Children explored their favourite stories and characters through a range of creative experiences. They used clay to create their own book characters, developing their imagination, creativity and fine motor skills. Children also arrived at TeamKids dressed as their favourite characters from school, which led to a fun Costume Parade. We enjoyed talking about each costume, the characters they represented and the stories they came from. Our Book Picnic was another highlight, giving children the opportunity to relax, enjoy food, share books and connect with their peers.

Kindness at TeamKids- The children worked together to create a Kindness Postbox using cardboard, paper and decorative materials. This provided a wonderful opportunity to talk about kindness, caring for others and positive relationships. Children shared ideas about kind messages and how small acts can make others feel valued.

Father's Day Celebrations- As we prepared for Father's Day, children created a Happy Father's Day Photo Booth using cardboard and decorations. Families were invited to take photos together during pick-up, creating a special opportunity to celebrate family connections and capture a memorable moment.

Thank you to all our families for your continued support. We look forward to another exciting fortnight at TeamKids!
