

APEX Pathways

Tailored educational routes for student success

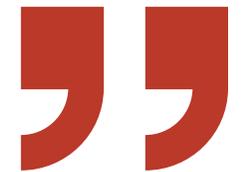

SHARAN TAGORE

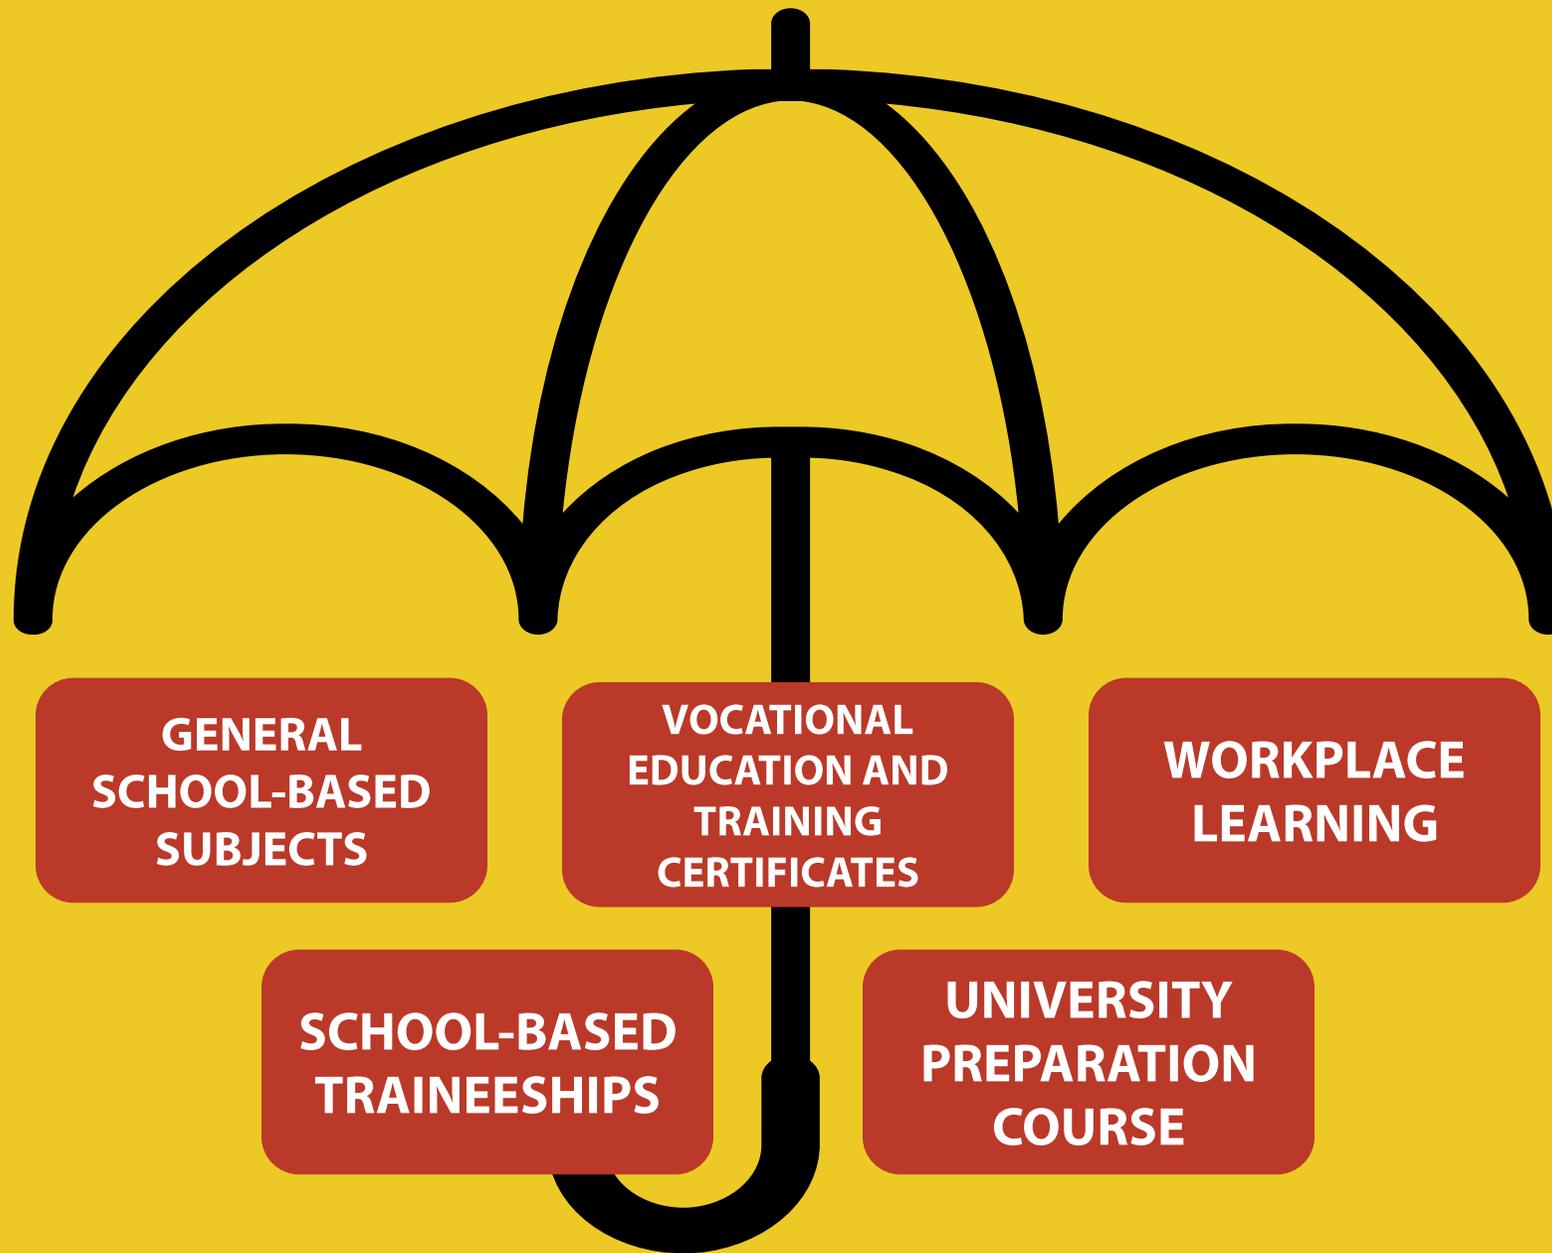

APEX

**Alternative
Pathway Experiences**

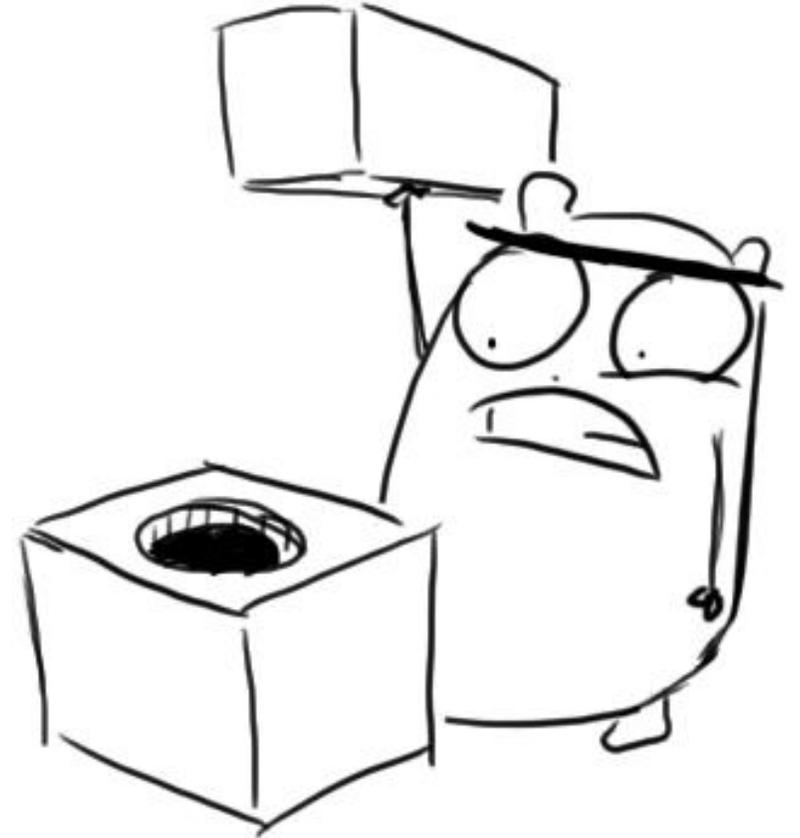

↑ Why do we have APEx?

We all learn differently and for students to achieve their best, we want to cater for that 😊

- ✓ Project-based work
- ✓ Learning in different environments
- ✓ Small group settings
- ✓ Hands-on practical work
- ✓ Workplace Learning

“

Over 60 per cent of all university offers are not based on ATAR and around half of university offers are made before Year 12 results are released.

Learning Beyond Limits (2023)

”

↑ General Pathway

General subjects provide students with a foundational education, allowing them to achieve their best

01

Grades from General subjects can be converted into points for university applications, facilitating access to higher education

02

Students benefit from a nurturing teaching environment and consistency

03

↑ VET Pathway

Students can engage in general subjects while pursuing VET certification, enhancing their educational experience

01

Allows students to gain specialised knowledge in fields like nursing, preparing them for future careers.

02

Studying general subjects offers a straightforward pathway to higher education opportunities in Western Australia.

03

↑ FlexiTrack High Pathway

FlexiTrack High is designed to prepare Year 12 students for university, enhancing their academic skills

01

Students are guided to achieve grades from Pass to High Distinction, ensuring a strong academic foundation

02

Graduates of FlexiTrack High are eligible for entry to all universities in Western Australia, broadening their opportunities

03

↑ Scholarships

Taking every opportunity provided at St George's can lead to incredible possibilities:

TAILORED LEARNING ROUTES

The APEx Pathway offers multiple routes that cater to different learning styles, ensuring personalised education for each student.

QUALIFICATIONS AND EXPERIENCE

Each route within the APEx Pathway provides students with opportunities to gain qualifications and practical experience relevant to their career goals.

PATHWAYS TO UNIVERSITY

The APEx Pathway ensures that students have clear pathways to university, making higher education accessible to all.

426

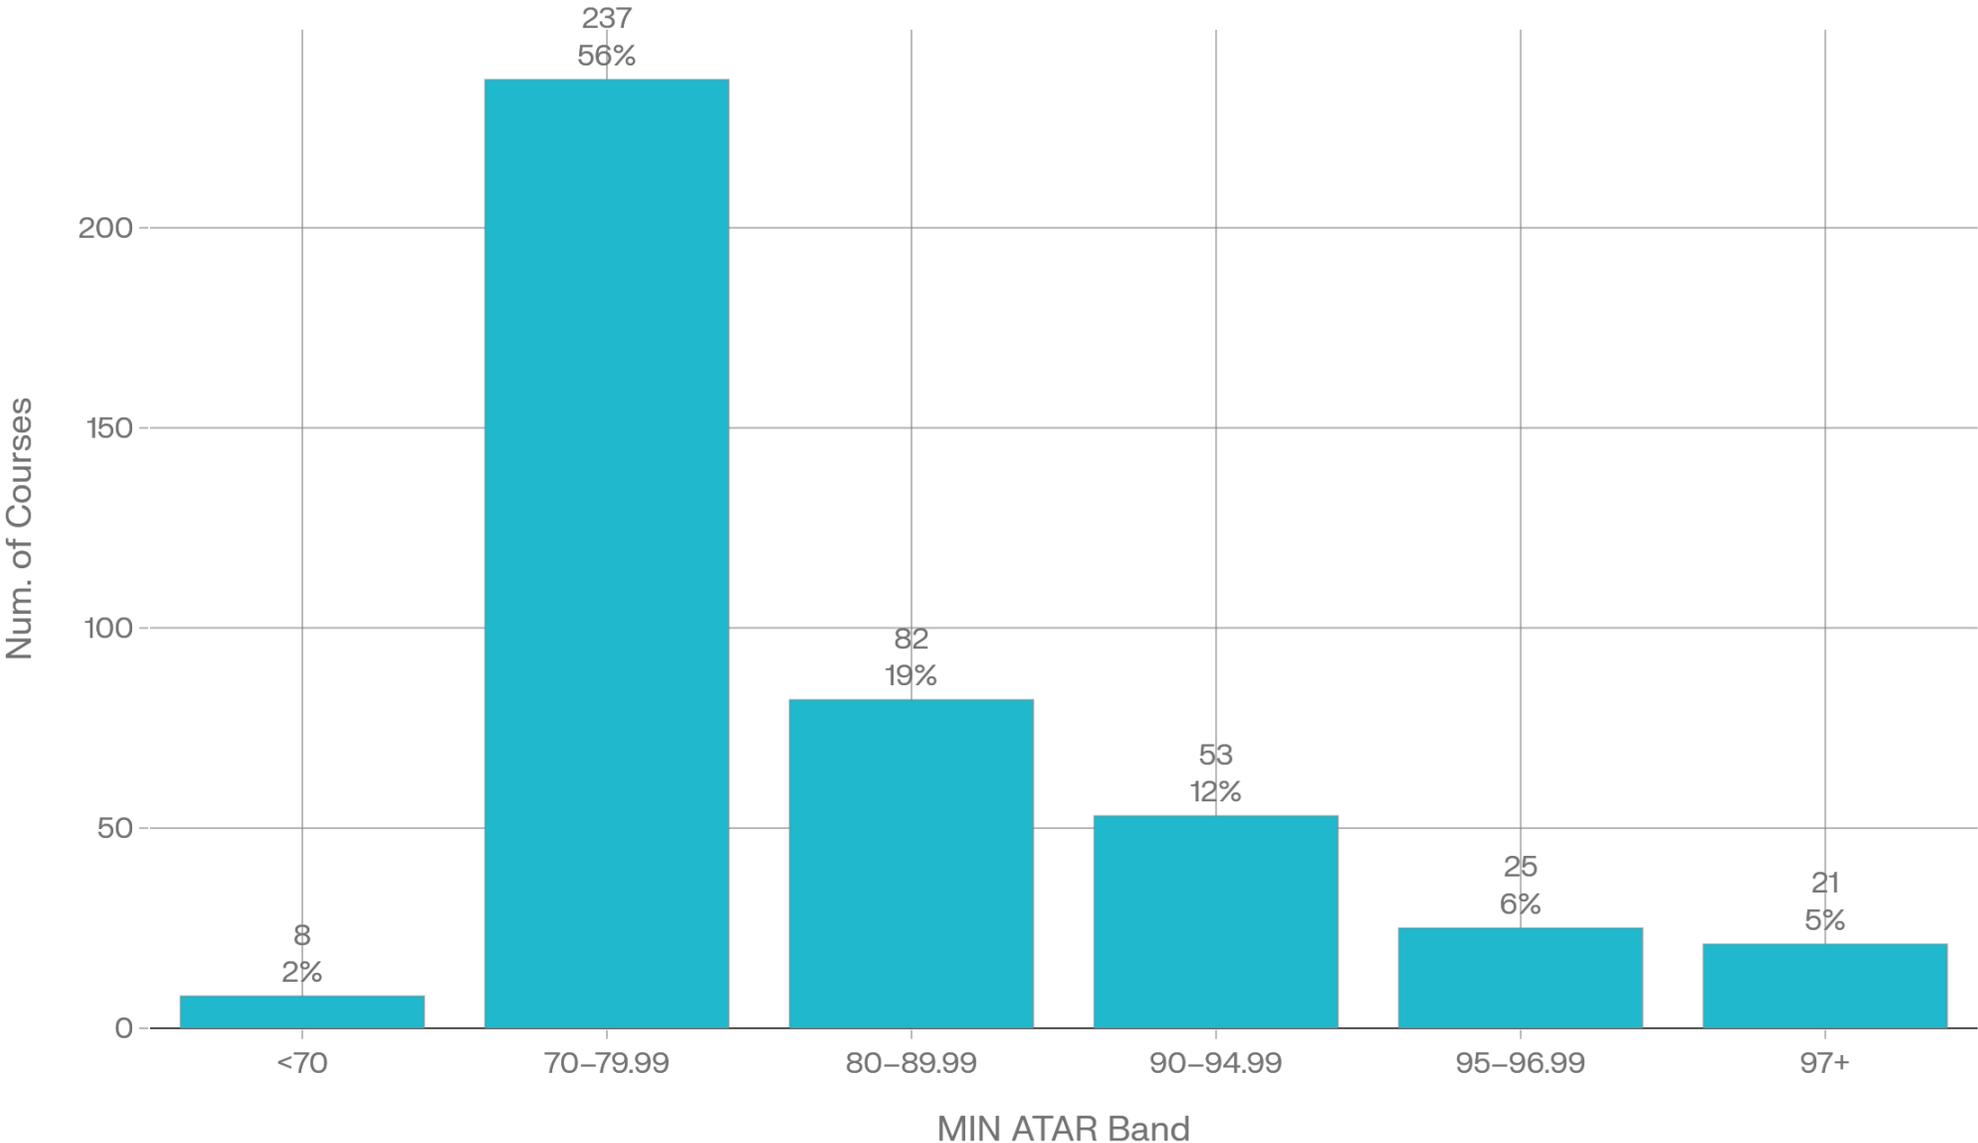

58%

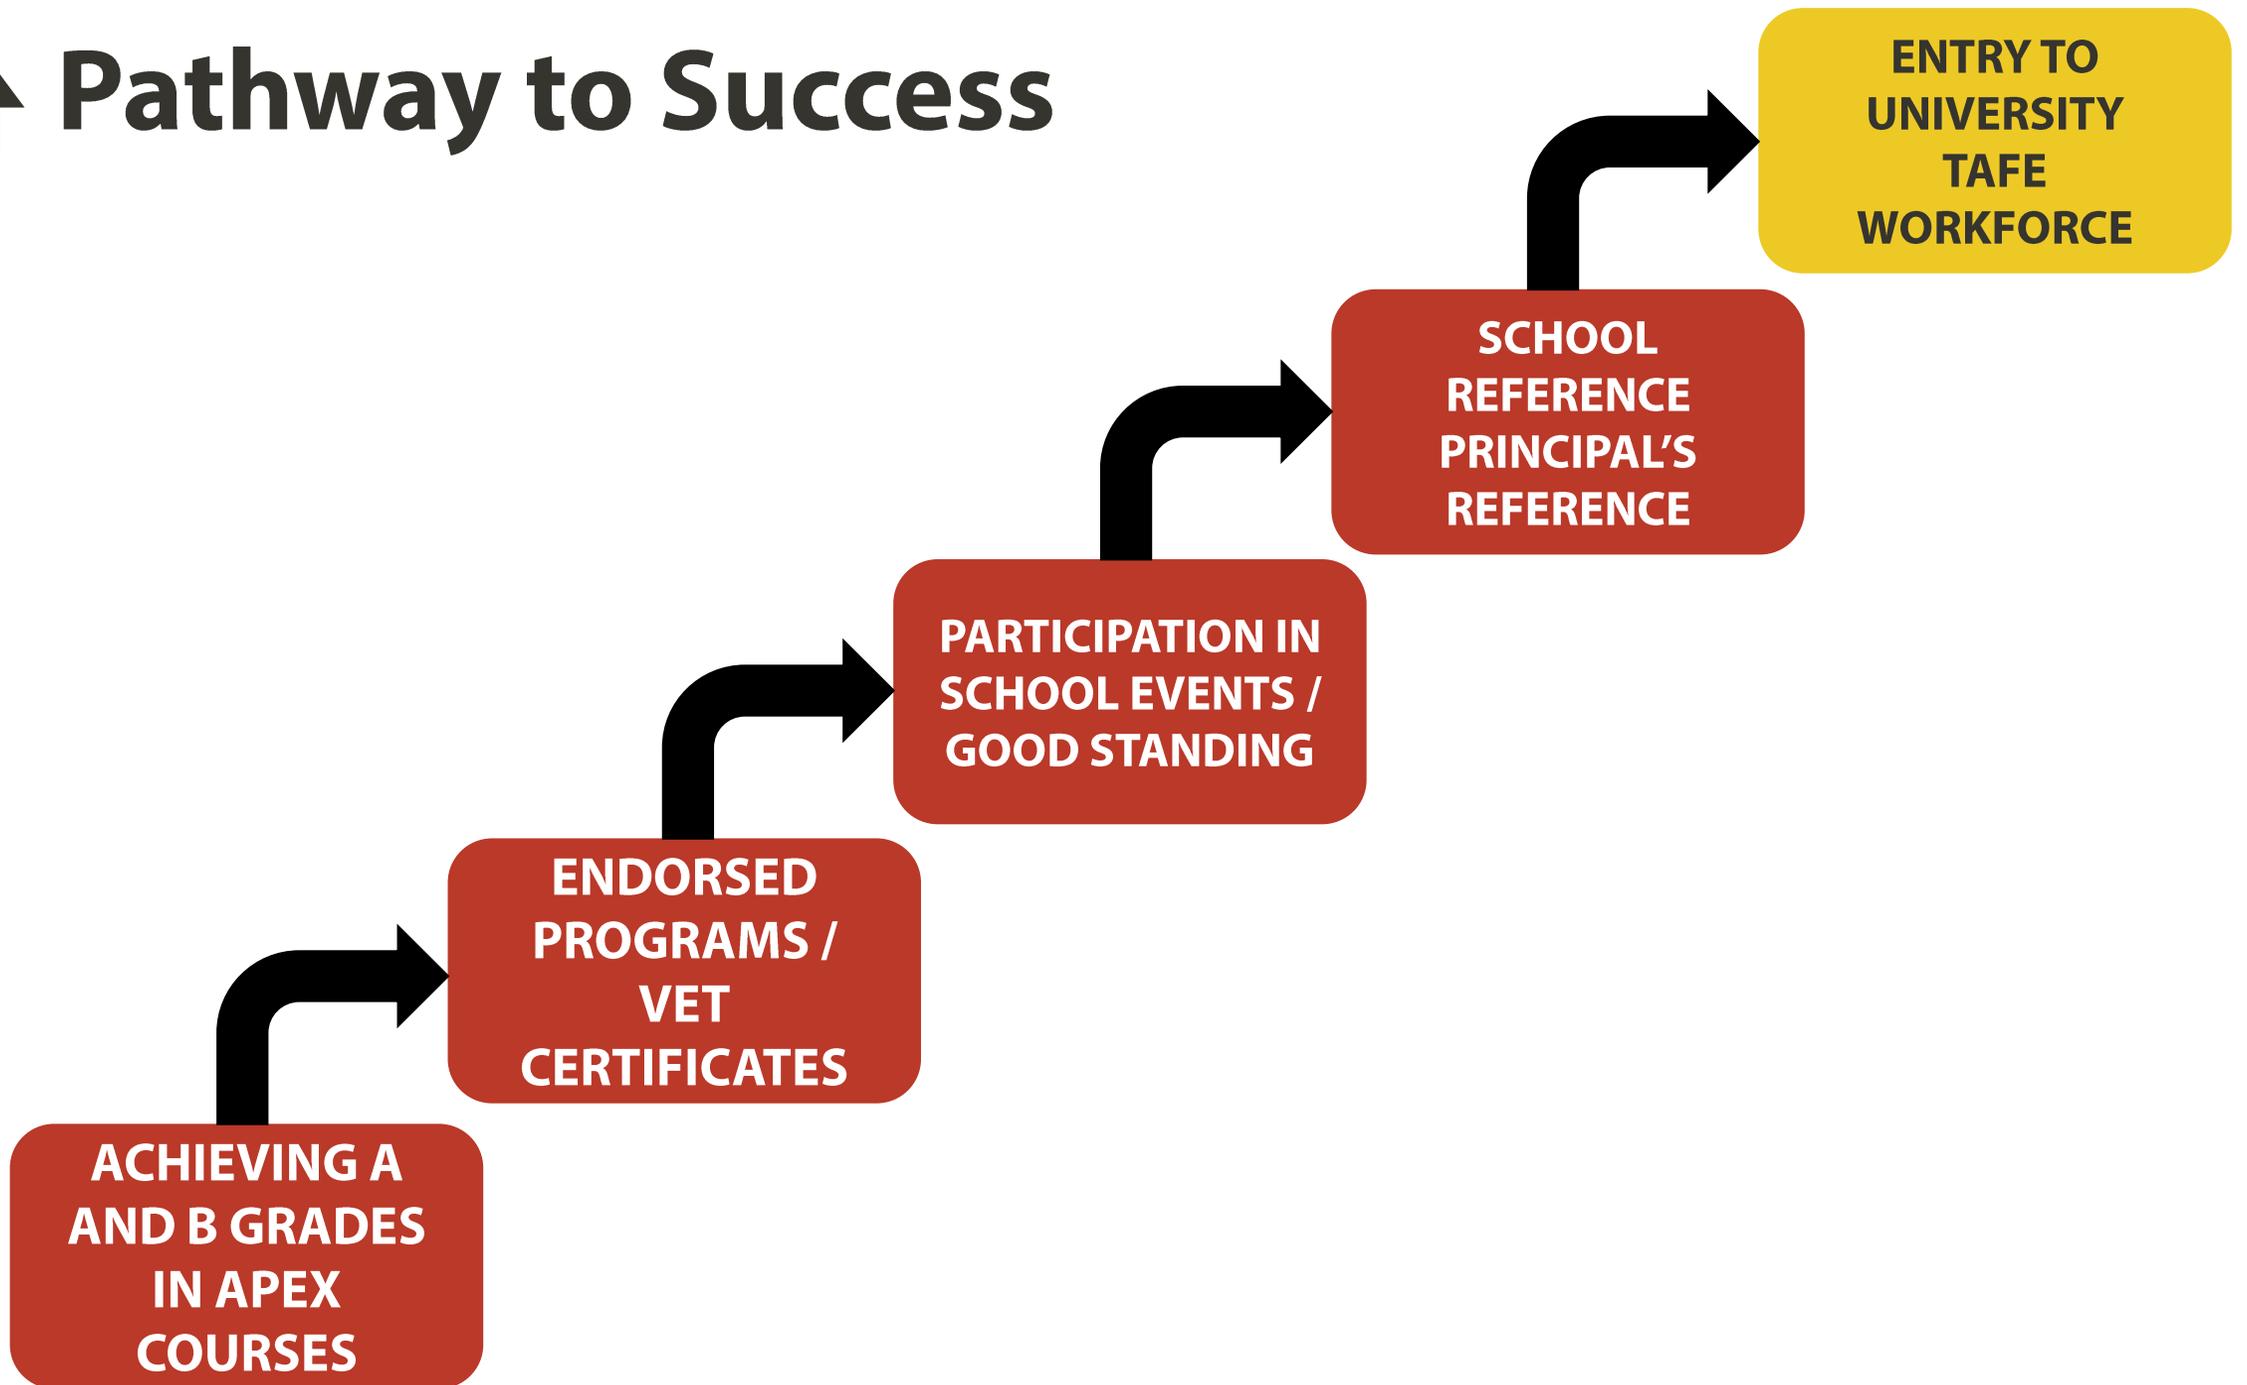

Most Courses Concentrate in Mid-Range Selection Ranks

Over half of university courses require ATAR scores between 70-80

↑ Pathway to Success

↑ Case Studies

Completed a Certificate II and III

Senior School

School Prefect

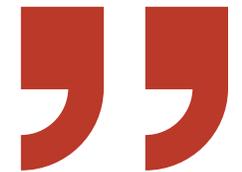

Gained direct entry to Curtin
University to Study a Bachelor
of Health Sciences with the
aim of transferring to
Occupational Therapy in
Semester 2

My attitude towards university studies has changed as I am really passionate about attending university and doing something I am really interested in in the future.

Year 12 Student Leader,
APEX, VET and FlexiTrack Student

“

I think all the choices I made were positive and have lead me to be where I am today and I am super grateful for that. I'm glad I decided to give ATAR a go in Year 11 and figured out it wasn't quite right for me and my learning experiences.

Year 12 Student Leader,
APEX and FlexiTrack Student
