College Captain, Denny Kean

NATIONAL ANTHEM

Led by Lene Clarsen Walters and Billy Rees

Australians all let us rejoice,
For we are one and free;
We've golden soil and wealth for toil;
Our home is girt by sea;
Our land abounds in nature's gifts
Of beauty rich and rare;
In history's page, let every stage
Advance Australia Fair.
In joyful strains then let us sing,
Advance Australia Fair.

ST PHILIP'S COLLEGE PRAYER *Led by College Captain, Dooriya Zeng*

O Lord our God, Creator of this universe and all life within it.
In the quietness of this moment, as we come into your presence,
O Father, we would remember the homes from which we have come
and the families we have left.
For some of us they are a long way from here.

We would remember before you this College, especially
Those who care for us,
Those who teach us,
Those who guide us.

Give to them all, wisdom, a kind heart and a generous spirit.
Be with each one of us and help us
to STRIVE to be our best
to SEEK to find the truth
to CARE for ourselves, our friends and all who are around us.

May we worship and serve you through our words and actions
This day and forever more.
Through Jesus Christ Our Lord.
Amen.

ST PHILIP'S COLLEGE SONG

*Led by College Life Governor, Chris Tudor
and the Year 12s*

We're the school of the blue
The red, gold and blue
In the heart of this great land.
We've gold to show the rising sun
That heats our rich red sand.
We're proud that we shine
In our nation's soul
The envy of each woman and man.
We're the Saints of the Centre
And we'll make you remember
We're winners and champions grand.

As the wild summer sun
Fries the air at midday
We withstand its hostile rays.
We're fired with compassion
And move into action
Solve problems that come our way.
We've mountains to climb, wild bush to hike
And damper to cook in the clay.
We're the team from St Pips and determined to grip
Success in our own novel way.

It's an enchanting world
An exciting world
We try to understand.
We believe in the right
To vote and be heard
And save our environment grand.
We lead with a careful responsible soul
And achieve what we've thoughtfully planned.
But we'll cross the street
In order to greet a person who needs a hand.

We're the school of the blue
The red, gold and blue
In the heart of this great land.
We've gold to show the rising sun
That heats our rich red sand.
We're proud that we shine
In our nation's soul
The envy of each woman and man.
We're the Saints of the Centre
And we'll make you remember
We're winners and champions grand.

READING: 1 CORINTHIANS 12:4-11 *College Vice Captain, Lydia Budrikis*

There are different kinds of spiritual gifts, but the same Spirit gives them.

There are different kinds of serving, but the same Lord is served.

There are different abilities to perform service, but the same God gives ability to all for their particular service.

The Spirit's presence is shown in some way in each person for the good of all.

The Spirit gives one person a message full of wisdom, while to another person the same Spirit gives a message full of knowledge.

One and the same Spirit gives faith to one person, while to another person he gives the power to heal.

The Spirit gives one person the power to work miracles; to another, the gift of speaking God's message; and to yet another, the ability to tell the difference between gifts that come from the Spirit and those that do not.

To one person he gives the ability to speak in strange tongues, and to another he gives the ability to explain what is said.

But it is one and the same Spirit who does all of this; as he wishes, he gives a different give to each person.
