Dear Brookside Families

At our child-centred service, we truly value feedback and suggestions from families to continuously improve and support children and their families; we regularly receive verbal feedback from children regarding activities and resources during our interactions, and to meet the needs of the children, we have focused on collaborative program planning and resource ordering; now, we would be absolutely thrilled if families could also provide us with their feedback by completing a quick 3-5 minute survey available at the front desk – your input would mean the world to us.

### What's Happening: Big Art Competition

Big Art was created to inspire, engage and encourage children to express their thoughts and feelings through a creative outlet. Don't miss the chance to submit your dream Lego creation by 24th May. I very happy to announce that we are celebrating children's creative talents and skills in our OSHC and the winners will be announced on 21<sup>st</sup> June. Our expert panel will select 40 winners including on grand prize winner! Winners will receive a LEGO Classic Creative Fantasy Universe set valued at \$149.99 AUD! Plus, the Grand prize winner will receive a 32cm x 32cm finished LEGO model of their artwork, created by Brickman!

### What's Coming Up?

National Reconciliation Week (NRW) is celebrated across Australia each year between 27 May and 3 June. The dates commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum and the High Court Mabo decision. So, get ready for an exciting week ahead as we celebrate National Reconciliation Week, a time when children will have the opportunity to learn about our shared histories, cultures, and achievements, and discover how they can contribute to the national reconciliation effort.

In the next few weeks, our programming will centre around the important topic of Gross Motor Skills. Some of the exciting activities we have planned include Duck- Duck Goose, Musical Seats, Active rock, paper and scissor, Three-Legged Race, all designed to enhance gross motor skills.

Regards  
Garima
