

# Boomerang Bag Community

## Volunteers needed!

The Crew's Boomerang Bag Community is a group that meets regularly on a Monday afternoon to make reusable shopping bags from recycled materials. It is a **casual, friendly environment with music and vegan snacks provided.**

**If you are concerned about the environment, know how to sew, or would like to learn** then please come along and join us.

There are also jobs for people who don't want to sew such as **cutting out patterns, pinning and ironing.**

The goal is to **sew, create, promote conversations** and encourage people to understand why reducing waste is important.

For more Information about joining The Boomerang Bag Community please chat to:

**Julie Ritchie Ph: 8878 3807 M: 0427862865**

For more information about boomerang bags go to:
