

# Raising Screenagers

*Realistic strategies to navigate the online world with your adolescent.*

*I arm parents with research-based information and realistic solutions (that don't involve phone bans or digitally disconnecting your teens) so that your teen can thrive online & offline.*

This presentation will help confused and concerned parents navigate the digital world with their 'screenagers', without suggesting that they 'digitally amputate' them. Dr Kristy will arm parents research-based yet realistic advice to help parents feel confident about how they can best support their adolescent's physical health, mental wellbeing and learning online.

Kristy will explore:

- Why young people are susceptible to POTENTIAL PITFALLS ONLINE given their BRAIN DEVELOPMENT
- Why the online world is APPEALING to adolescents (there's science to explain your teen's digital infatuation)
- A simple (& realistic) formula to determine healthy SCREEN TIME limits for teens of various ages (based on their BASIC NEEDS)
- Why parents need to be the CO-PILOT of the DIGITAL PLAN and establish 5 BOUNDARIES to ensure their teen's time online supports their PHYSICAL HEALTH and MENTAL WELLBEING
- How to support their teen's 'DIGITAL DNA' especially when using social media or playing multi-player video games
- WHY DIGITAL DISCONNECTION is critical for your teen's PHYSICAL HEALTH And MENTAL WELLBEING.
