## WHAT'S BEEN HAPPENING

Dear families,

We have an exciting week ahead! Our gingerbread village is coming together beautifully—three houses have been built, and we'll add more buildings and decorations this week. The children are loving this creative project, and it's wonderful to see the village grow. This Friday, we're hosting our second Lunchtime Legend event, where the kids will enjoy disco dancing and a fun scavenger hunt. They'll also dive into more hands-on activities, like making gingerbread men and trying their skills at clay modelling. We're looking forward to a fantastic week filled with creativity and fun!

From 2<sup>nd</sup> of December to the end of term 4, the prep students will start transitioning to after care independently, following the teacher's list. Please let us know in advance if your child needs additional support.

Let's go on enjoying week 7 with sunshine! ☺

Warm regards,

Eric

Director of Team Kid Before and After School Care
