

Myrniong Art Gallery Opening

Photography: Nature, Shadows, Perspective and Creativity

You are invited to a very special Family Event at the Junior Campus on

Tuesday 11th October 6:15pm – 7:30pm

This year's Gallery features art from all students, ELC to Year 5. Our focus this year is photography, with subject matter including: "Nature up Close" for Early Learning – Year 1, "Playing with Shadows" for year 2, "Forcing a Perspective" for Year 3 and 4 and finally a photographic display showcasing a variety of artistic creations in Year 5.

The children have done an outstanding job utilising a variety of photography skills and it would be wonderful to have lots of friends and family come along to celebrate their success.

We hope to see you there!
