

2023 Mock Trial Competition

“The variety of roles allows for students with diverse skills to work together.” (teacher comment, 2020)

“The Mock Trial Competition was an amazing way to experience a real-life court trial but in the safety of a light-hearted competitive environment. It was an incredible learning experience.” (student comment, 2021)

Year 10, 11 and 12 students take the roles of barristers, solicitors, witnesses and court staff and present a case before a judge in a real court room.

The Competition helps to enhance students’ skills in analytical thinking, problem solving, presenting information in a structured way, speaking up in public, and working as a team.

The Competition is a SCSA endorsed programme, so students can achieve WACE accreditation through participation in the mock trials.

If your school has an ICSEA value of 1,000 or less your school is eligible for the Student Access Programme.

Registrations open at the beginning of Term 1 and close on Monday, 13 February 2023.

“it has really improved me as a person and has greatly improved my knowledge and understanding. I enjoyed speaking to people who have been successful in the law career and learning from them and gaining tips.” (student comment, 2021)

EVENT INFORMATION

Dates for 2023
