## Family Mentor Programme

Existing WPS Parents who would like to be a Mentor to new families.

---

Dear Parents

Woodend Primary School operates a Mentor Program for new families to our school.

The Program is a way of linking present Woodend Primary School families with families who will be new to our school next year. The idea is that each mentor family is allocated a new family. The mentor will contact the new family via a phone call to welcome them to the school and invite the new family to make contact with them whenever they have any queries or need simple advice.

To be part of our Mentor Program we will require using your name(s) and phone number. This information will be used only for our Mentor Program.

If you are interested in being part of our Family Mentor Programme, please fill in your details and sign below. You can return this to the school office any time or prior to the 1st Prep Orientation Day or email your details to [bronwyn.rumble@education.vic.gov.au](mailto:bronwyn.rumble@education.vic.gov.au)

Thanking you,

**Bronwyn Rumble**

Family Mentor (BUDDY) Program Coordinator
