Dear Families

We have had many requests this year for the opportunity to order School Lunches online. The School Advisory Council and Parents & Friends have been working to find a provider that is able to provide this service for us.

We are extremely grateful to Justin and Rachel Cleary for the many years they have provided lunches for the children of St Joseph's. They have been an integral part of the life of St Joseph's and looked to accommodate our needs.

We are pleased to inform families that the Rochester Bakery has agreed to provide an online lunch order service for St Joseph's, commencing Friday 4th August.

This service will be provided in conjunction with School Lunch Online.

Attached to this letter are:

- Flyer about School Lunch Online
- Information on how to create a family account

For the next few weeks, as the Bakery organises their routines around ordering and delivery, this will only be offered on a Friday. The intention is that more order days will be added in good time.

Until then, the Parent & Friends will offer a Hot Lunch each Wednesday. A flyer for this is also attached. Families will be able to order lunch for a Wednesday via school and it will be provided to the children at 11.40am.

If you have any queries or questions, please don't hesitate to ask us or a member of the Parents & Friends.

Kind regards

Principal
