WELCOME TO SEASON 2020

- Golden Plains Soccer Club invites all existing and new players with their friends and families to register for the 2020 season.
- Please find information below regarding Registration, Training Schedule and Proposed Teams for 2020.
- Training Schedule and Proposed Teams may change and will be confirmed in the coming weeks depending on registered player numbers and ages.

After an exciting 2019 and pitch 2 almost completed, with an expected date for use in May this year, we enter the 2020 season excited to know that we will be able to cater for the great numbers of players being attracted to the Club.

- The construction of more additional change room facilities with associated store room, referees room, first aid room, toilets and showers will also commence soon adding wonderful recreational infrastructure to our ever growing community.
- We take this opportunity to thank all those involved in bringing these wonderful facilities into fruition; Our Councillors, whose decisions have been the integral catalyst in making the Golden Plains Soccer Club possible for the whole Community to enjoy, along with the hard working Golden Plains Shire staff, with funding applications through Local, State and Federal Governments
- Once again, lots of great work on the pitch itself by Golden Plains Works Department over Summer, top dressing, fertilising, maintenance, and a precise mowing regime. This will together give the 1st pitch its best chance of making it through an extremely busy workload during the coming year.
- The heavy workload on pitch 1 will continue during the 2020 season. It is expected once again that all coaches, players and parents work together, as has been done so very well previously, so that everyone can have an enjoyable and successful year.
- All training will remain on pitch 1, with games being played on both pitches once pitch 2 is deemed to be ready, anticipated to be May.
- Finally, with our numbers building there will be plenty of opportunities in all age groups both male and female for mums and dads to take on a coaching or team leader role.
Please take up these rewarding roles at the club, have a chat to the existing coaches when you see them at training or contact Anthony anytime to discuss how you can help make Golden Plains Soccer club a great place for future generations.

So as we enter the 2020 season, thank you all for making 2019 a great success.

GO EAGLES !!
