

BIKES AND SCOOTERS ROUTINE

Description	What you expect from students when arriving or leaving school with bikes or scooters to promote safety, respect, and responsibility.	When to use:	Before and after school when entering or exiting the school grounds with a bike or scooter.
--------------------	--	---------------------	---

Student expectations:	To be safe, respectful, and responsible with their own bike or scooter.
------------------------------	---

SEQUENCE

Put your bike or scooter away safely and neatly	Use the designated area and park your bike or scooter carefully so it doesn't block others or fall over.
Only touch your own bike or scooter	Respect others' property by keeping your hands to yourself.
Watch for cars when entering and exiting the school	Stay alert near driveways and crossings to keep yourself and others safe.
Walk your bike or scooter once in the school grounds	Walk calmly to avoid accidents and show respect for others.
