The City LLEN are providing a webinar opportunity to meet a creative and get all your questions answered during a Q&A.

*Participants do not need their own zoom account, the link provided will enable to them to watch the presentation and ask questions in the chat.  
The presenters cannot see the participants.*

## CityLLEN

Discover how to design your future with artist, designer & lecturer Alicja Kuzmycz, who will share her story.

This webinar will help you answer these questions

- I am feeling a creative career is right for me but don't know where to start?
- What career pathways and options do I have?
- How can I tackle other's perceptions or ideas about creative arts as a career?
