## WHAT'S BEEN HAPPENING

Hello Families,

We've had a great start to the term, with children settling in well.

This term, we have introduced a **Book Exchange** at OSHC. TeamKids would love your support in helping this grow. If you have any books at home that your children have outgrown, we would greatly appreciate any donations. These books will be shared within our service, allowing children to take a book home, enjoy it, and continue to build their love of reading.

We have also been growing **avocado seeds** with the children, and it has been lovely to hear that many are continuing this learning experience at home. It's wonderful to see their curiosity and care for growing things extend beyond the service.

Additionally, we have started our **club sign-ups** for the term. This term, we will be offering activities such as **knitting, and drawing**, giving children the opportunity to explore new skills and interests.

Thank you for your continued support.
