- the word is in **blue**

- we write what the hard word means.

You can get help with this letter

You can get someone to help you

- read this letter

- know what this letter is about

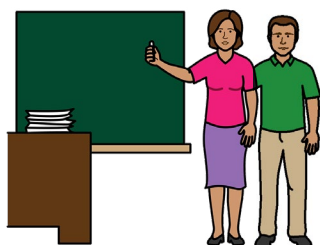

- find more information.

About this letter

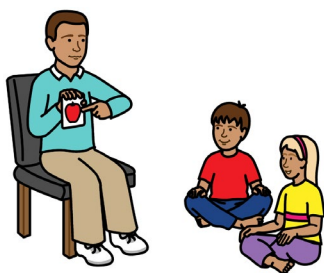

This letter is written by the Department of Education and Training.

This letter is about our **Tutor Learning Initiative**.

Our Tutor Learning Initiative means schools will have over 4 thousand extra teachers in **2021**.

The extra teachers will be tutors who work with students that need extra help.

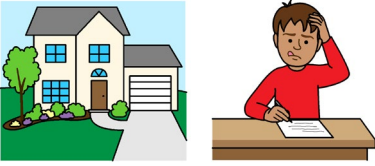

Education
and Training

The government gave 250 million dollars to pay for tutors in schools.

What will tutors do?

Tutors will help students catch up if they found it hard to learn from home in 2020.

Schools choose what tutors do so that

- students get extra help from tutors if they need it

- classroom teachers can work with their class to meet all student needs.

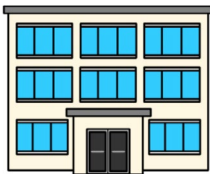

More information

We will give you more information about the initiative before school starts in **2021**.

Contact your school if you are worried about your child.

Find a Department of Education and Training office.
