

Jackson School is a collaborative learning community for all. We aim to develop **independence** through **safety**, **respect** and **responsibility**. We aspire to offer authentic, quality educational experiences that develop futures, **create opportunities** and **inspire potential**; enabling our students to be valued and contributing members of the wider community. We share and celebrate our successes and achievements.

Learning

Independence

Safety

Respect

Responsibility

Employability Skills Matrix

Learning

Learning

- I know my learning goals
- I know what I'm learning today
