An Amazing New Bike Enclosure

The new enclosure has been built for students to store their bikes and scooters securely.

The enclosure is caged, has a roof to protect from the weather and is lockable.

For the safety and security of all, students will be required to provide and use their own bike lock.

- Enclosure will be open at 7.30am
- It will be locked at 9am
- If you leave during the day you will need to present your Compass card to collect the key
- Enclosure will be locked at 4.30pm daily.
- Prepare by buying and using your bike lock now.
