

Hello Families,

A Message for Our School Library!

We hope you are all doing well and those children not at school are having fun learning at home. If you have any overdue school library books, please don't be worried, we are happy for you to return them once you come back to school.

In the meantime, there is a wonderful website that your child/children can have access to. It is called World Book Online. You will find eBooks, articles, clips and videos, biographies, research ideas, games, activities and much, much more! It is targeted at varying levels of ability.

Here is the link;

<https://www.worldbookonline.com/wb/products?ed=all>

or simply google World Book Online and enter the password.

The password for everyone is the same and use is unlimited.

K/1 students - click on 'Early Learning' icon

2/3/4 students - click on 'Kids' icon

5/6 students - click on 'Student' icon

But of course you are welcome to explore all the icons, use the above as a guide!

Have fun and stay well,

Mrs Meggie Davey
