

Coin Flip – Heads or Tails?

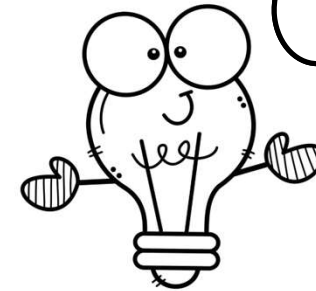

Instructions:

1. Flip the coin.
2. Record the result as a tally mark whether the coin landed on heads or tails in the correct space in the table below.
3. Repeat steps 1 and 2 eleven more times (so that you have flipped the coin 12 times).

Before you begin make a prediction on what you think the results will be.

My prediction is: _____

What happened?
What were the results?

Coin Flip Results:
