WE MAKE A DIFFERENCE.

# Study strategies

Use Quizlet online flash cards to practice key words	Practice questions/SACs	Summarise the content, draw mind maps	Work in 25 min blocks, with 5 min breaks in between
Making your own flash cards	Ask the teacher for extra help	Ask another student for assistance	Make a habit, study at the same time and place each week
Form a study group	Study in the Resource Centre after school	Explain concepts aloud to others or even to your pets!	Watch Edrolo videos
Make a visual summary poster to hang up at home	Use the Cornell style of notetaking	Talk through answers with other students	Create mnemonic Devices (rhythm, acronyms)
Record your own voice describing content and re-listen	Use graphic organisers to display concepts	Link content to your own life	Start a study session by saying “I will remember this”
