Art

Your child needs to bring along an art smock to protect their school uniform. An old shirt is suitable. The smock saves children from getting their clothes covered in paint, glue etc. during Art and Technology sessions. It is a good idea to bring the smock along on the first day so it can be stored in your child's tub until required.

Foundation (Prep)-Year 2 students

It is a very good idea to provide your Foundation-Year 2 students with a spare change of underwear, named, as there is sometimes an "accident". This can be brought along to school in a small, named plastic bag.
