Marist 5C 30 def. Villa 23	3 – Eddie Davies 2 – Jackson Bardon 1 – Dom Guinea

Around the Grounds

6A

After a hot start, the boys went down narrowly to Laurie's. It was an improvement on the week before, however, we struggled to hit the score board. The backline, led by Tom Cross' aggressive tackling, were influential in keeping us in the game.

6B

The boys showed lots of improvement from last week's loss against Villa, however it wasn't enough against Padua as they defeated us 11-47. Right from the start I could tell a change in attitude from the team. The boys were fighting hard for the ball and were pulling off some good tackles. In the end though, Padua's footy skills showed through, and the boys couldn't catch-up. Abe Patricks again displayed his running skills, as he made consistent efforts across the whole ground. Remi Rowland also took some great contested marks in the backline.

6C

Another much improved performance this weekend with very little separating the two teams over the first 3 quarters of play with 1 goal being the difference going into the 4th quarter. The Marist class shone through when it came time to finish the game with sustained pressure, quality passing and accurate kicking proving

the difference in the end. It was hard to single out any individual on the day as it was a gritty team performance with everyone playing their part in the win. After losing to Villanova in the Rd 1 match it was nice to see how much improvement this team has made over the previous 5 games.

5A

For the second week in a row, we came up against Laurie's. After failing to score a goal in their first encounter, the boys did much better in attack creating plenty of opportunities to score. Unfortunately, Laurie's were too good again and their size and skill helped them maintain a comfortable lead for most of the game. Although the results haven't favoured the 5As, their improvement from round 1 to now has been impressive.

5B

The game started off very fast paced, with Padua taking control of the momentum early, and two Marist injuries saw our boys left without substitutions. The Marist boys fought to keep the game close and were able to do so during the middle quarters, finishing the 3rd quarter down 8. Marist then took control over the momentum and kicked a goal in the dying minutes of the fourth to gain the lead and eventually secure the win. Massive thanks to Dom Guinea and Eddie Davies who stepped up and filled in for us at half time; without the effort of these boys, we could not have won the game of footy. Also, a massive shoutout to all the Marist 5B boys who, on Saturday, played some of the best footy I've seen all season.

5C

The mighty Marist 5Cs AFL team won a very close encounter. Villa came out ready for action and our team dug deep and came away with a tough fought victory. Special thanks to Eddie Davies and Dom Guinea who had to help out the 5Bs in the 2nd half to help with injury. Great job 5Cs!
