

Positive Parenting after Separation

Finding a healthier way to co-parent effectively!

This Positive Parenting after Separation workshop aims to equip parents with greater skill in remaining child-focused, reducing conflict, improving communication with the other parent, and developing a positive post-separation co-parenting relationship.

Parents will be supported to reduce the stress around a challenging situation, while providing a safe space to discuss and explore co-parenting issues. You will develop a range of strategies to manage and improve the relationship with the other parent, and most importantly enhance the connection with your child.
