A message from your Coordinator

Dear Parents,

In our service, art and craft activities are the favourite among most children. They were using craft material donated by Officeworks to create fantastic creations. Last week they created different popsicle arts such as ballerinas, bird feeders and flowerpots. Children were using natural leaves of different shapes and colours to create animal figures. It was a good activity to improve fine motor skills.

A friendly reminder, Autumn holiday club is starting next week. Each day offers a unique array of activities based on children's preferences. Please do your bookings ASAP.

Activities coming up

- Easter themed art and craft
- Making cupcakes
- Last day of the term fun group games and yummy food
