Please be advised that the School Calendar is <u>only available in the browser version</u> of Compass! If you 'swipe right' when in the app, there is an option to 'Open in Browser' which will enable you to view the School Calendar.

The calendar can be viewed **by 'week' or 'month'** – just click on your preference at the top right of the screen. If you hover over a calendar entry, more information is revealed e.g. venue.

The School Calendar has different **colour-coded tabs** to hide/reveal layers in the calendar. You will find the colour tabs on the left of the screen. Simply select/unselect the appropriate layer(s). There are tabs for:
