

# St. Bernard's

Catholic Primary School, East Coburg

5<sup>th</sup> August, 2025

Dear Parents,

As you would be aware on Wednesday 20th August, we are celebrating St Bernard's Day.

Students will attend Mass at 9:30am and then later in the day learn and participate in activities about St Bernard. Each child will be supplied with one hotdog, a juice box for lunch and a Zooper Dooper at the end of the day. We will be providing a vegetarian or halal option for the hotdog, for those who require it. If your child does not eat hotdogs or has an allergy, please provide them with lunch as normal. As we are only providing one hotdog per student feel free to send along extra lunch/ snacks as required or to order lunch as for a normal Wednesday. In order to ensure the safety of all students we are asking that you complete the form below.

Kind regards,

Iain Reed and Franca Fragomeni  
Deputy Principals

---
