STRENGTH THROUGH FAITH AND LOVE

Catholic education is intrinsic to the mission of the Church. It is one means by which the Church fulfils its role in assisting people to discover and embrace the fullness of life in Christ. Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.

Parents and guardians, as the first educators of their children, enter into a partnership with the Catholic school to promote and support their child's education. Parents and guardians must assume a responsibility for maintaining this partnership by supporting the school in furthering the spiritual and academic life of their children.

In order for a Student to be considered for a place at a Catholic School an Application for Enrolment must first be submitted by the Parent/Guardian of the child to the individual Catholic School. The information required in respect to this application is limited to the following; -

1. Names and addresses of the child and parents/guardians; telephone numbers (home, work, mobile) of parents/guardians;

3. The Immunisation history of the Child (to meet the requirements of the Victorian Registration and Qualifications Authority (VRQA));
4. The Religious denomination of the Student including whether the Student has been baptised Catholic;

Following the provision of an application the School shall consider the application in line with the following order of priority;-

- a) The capacity of the School to accept students;
- b) Whether a sibling of the child is currently a student of the school;
- c) Catholic children who are residents of the parish
- d) Catholic children who do not reside in the parish but are recognised as parishioners by the parish priest
- e) Catholic children from other parishes (for pastoral reasons)
- f) children from non-Catholic Eastern churches who reside in the parish
- g) children from non-Catholic Eastern churches who reside outside the parish
- h) other Christian children who reside in the parish
- i) other Christian children who reside outside the parish
- j) non-Christian children who reside in the parish

3.4. Unacceptable behaviour by a child, or repeated behaviour by a parent or guardian that, in the school's view, is unacceptable and damaging to the partnership between parent/guardian and school, may result in suspension or termination of the child's enrolment.

4. Terms of enrolment regarding provision of accurate information

4.1. It is vitally important that the school is made aware of each child's individual circumstances insofar as these may impact upon their physical, functional, emotional or educational needs, particularly where the school is required to provide additional support to the child.

4.2. Parents and guardians must provide accurate and up-to-date information when completing an enrolment form and must supply the school with any additional information as may be requested, including copies of documents such as medical/specialist reports (where relevant to the child's schooling), reports from previous schools, court orders or parenting agreements. Provision of requested documentation is regarded as a condition of enrolment, and enrolment may be refused where a parent/guardian has unreasonably refused to provide requested information or knowingly withheld relevant information from the school.

4.3. Where, during the course of a child's enrolment, new information becomes available that is material to the child's educational and/or safety/wellbeing needs, it is a term of the child's continuing enrolment that such information is provided to the school promptly.

4.4. The provision of an inaccurate residential address or failure to provide an updated residential address for the child will also be treated as a breach of the terms of enrolment.

5. Assessment and updates

5.1. Various opportunities are provided to keep you up to date with your child's progress. You will receive two comprehensive written reports each year and arrangements will be made for at least one interview where you can discuss your child's development with their teacher. In addition, you can always contact the school to arrange a meeting if you have any concerns or wish to receive an update on progress.

Agreement

I acknowledge that I understand and accept the terms and conditions of enrolment. I agree that there are certain expectations, obligations and guarantees required of parents/guardians of the school's students, so that a harmonious relationship may be established:

- I will support and abide by school policies and rules, as amended from time to time, in relation to programs of studies, sports, pastoral care, school uniform, acceptable behaviour, child safety, discipline and general operations of the school
- I will ensure that the information I have provided is kept up to date throughout the period of enrolment and I will notify the school promptly of any changes to that information (e.g. change of residential address, changes to parenting orders)
- I will pay the current school fees and levies for my child and also pay any variation or increase of fees and levies as per the payment methods provided by the school, or I will otherwise notify the school immediately if I am experiencing financial difficulties.
- I will support my child's participation in the religious life of the school (e.g. school liturgies, retreat programs)
- I will attend parent/teacher and information evenings which relate to my child

- In the event I have any concerns, I will raise them initially with the relevant teacher or the school principal
- I will treat all members of the school community with respect as befits a Catholic school
- If in time of emergencies, accidents or serious illness I cannot be contacted, I give permission for the principal (or their representative) to seek medical attention for my child as required (which may include transportation to the nearest hospital, medical centre or doctor by ambulance or private vehicle). I also understand that the signatories below are required to meet any costs incurred
- As a parent/guardian, I understand that if this application is successful, I will support the vision of the school and parish. In accepting the enrolment, I agree to abide by all of the school's policies, procedures and protocols (Policies). These Policies are reviewed regularly and may be subject to change at the school's discretion. I will work with the school to support any academic/social/behavioural needs of my child. I agree to support my child's participation in the religious life of the school (e.g. school liturgies, Masses etc.). The consequence of not complying with the school's Policies may result in the termination of the enrolment.

I understand that if any misleading information has been provided, or any omission of significant information is made in the application for enrolment, acceptance will not be granted; or, if discovered after acceptance, enrolment may be withdrawn.

Introduction

At **Sacred Heart School Tatura**, we are committed to nurturing respectful relationships and active partnerships with you as **parents/carers/guardians**. We believe that our students' learning journeys are enriched through positive and reciprocal home and school relationships.

As **parents/carers/guardians**, you act as one of the most influential role models in your child's life. We therefore seek your support in promoting and upholding the core values of the school community and its culture of respectful relationships within a Catholic faith tradition

This Code of Conduct will guide your interactions and communications with staff, other **parents/carers/guardians**, students and the wider school community. It articulates the school's key expectations of both staff and **parents/carers/guardians** with regard to respectful relationships and behaviours. It also specifies the school's position with regard to unacceptable behaviours that breach our culture of respect.

This Code of Conduct is to be read in conjunction with the school's:

- Occupational Health and Safety Policy
- Complaints Policy and procedure
- Child Safe Policy.

Our Culture of Respectful Relationships

Among students, staff and **parents/carers/guardians** we strive to develop the following:

- A respect for the innate dignity and worth of every person;
- An ability to understand the situation of others;
- A cooperative attitude in working with others;
- Open, positive and honest communication;
- The ability to work respectfully with other people;
- Trusting relationships; and
- Responsible actions.

In Promoting & Upholding this Culture, we expect that STAFF will:

- Communicate with you regularly regarding your child's learning, development and wellbeing;
- Provide opportunities for involvement in your child's learning;
- Maintain confidentiality over sensitive issues;
- Relate with and respond to you in a respectful and professional manner; and
- Ensure a timely response to any concerns raised by you.

In Promoting & Upholding this Culture, we expect that PARENTS will:

- Support the school's Catholic ethos, traditions and practices;
- Treat staff, students and other parents/carers/guardians with respect and courtesy;
- Support the school in its efforts to maintain a positive teaching and learning environment;
- Understand the importance of healthy parent/teacher/child relationships and strive to build the relationships;
- Adhere to the school's policies, as outlined on the school website.

Raising Concerns & Resolving Conflict

(Refer also to our Complaints Policy)

In raising concerns on behalf of your child, or making a complaint about the school's practices or treatment of your child, *we expect that you will:*

- Listen to your child, but remember that a different 'reality' may exist elsewhere;
- Observe the school's stated procedures for raising and resolving a grievance/complaint;
- Follow specified protocol for communication with staff members, including making appointments at a mutually convenient time and communicating your concerns in a constructive manner; and

- Refrain from approaching another child while in the care of the school to discuss or chastise them because of actions towards your child. Refer the matter directly to your child's teacher for follow-up and investigation by the school.

In responding to your concerns or a complaint, *we expect that staff will:*

- Observe confidentiality and a respect for sensitive issues;
- Ensure your views and opinions are heard and understood;
- Communicate and respond in ways that are constructive, fair and respectful;
- Ensure a timely response to your concerns/complaint; and
- Strive for resolutions and outcomes that are satisfactory to all parties.

Safety & Wellbeing

The school places high value and priority on maintaining a safe and respectful working environment. We regard certain behaviours as harmful and unacceptable if they compromise the safety and wellbeing of a member of our school community. These behaviours include, but are not limited to:

- Shouting or swearing, either in person or by other means;
- Physical or verbal intimidation and or threats;
- Aggressive hand gestures;
- Writing rude, defamatory, aggressive or abusive comments to/about a member of the school community (emails/social media);
- Racist, sexist or other denigrating comments or images;
- Acts of violence; or
- Damage or violation of possessions/property.

When an adult behaves in such unacceptable ways, the Principal or Principal's nominee will seek to resolve the situation in one or more of the following ways:

1. repair relationships through discussion and/or mediation.
2. exercise our legal right to impose a temporary restriction or permanent ban from the school premises.
3. report the incident to the police.

This Code of Conduct is endorsed by Catholic Education Sandhurst.
