

SENIOR SECONDARY STUDENT CONCESSION CARDS

Senior secondary student cards are valid until 31 March 2020. School students who leave school and are unemployed may retain use of their card until employed or until the expiry date of 31 March.

Card entitlements

Proof of age and NSW senior secondary student concession cards provide for half fare concession travel at all times on:

- Sydney Trains and Sydney Metro services (with a concession Station Access Fee applicable at International and Domestic airport line stations)
- government and privately operated regular route local bus services across NSW
- light rail services
- Sydney Ferries & Newcastle Ferries services and most regulated private ferry services and
- NSW TrainLink services.

Concession cards do not provide for concession travel on special, premium, charter or Special Event services or privately operated services (such as long distance coaches & tourism services).

Fees

No fee is payable for the initial issue of a concession card. However, a replacement fee of **\$10.00** is payable to TfNSW for all replacement cards.

School holidays

Schools are asked to remind all eligible students who may wish to travel during school holidays to request a card before school closes. We are still receiving a large number of enquiries during the school holidays from students indicating they were not advised of the availability of cards.
