# Special Religious Instruction

Giving meaning and purpose to life.

## What is Christian SRI about?

Christian SRI is a 30-minute session during lunchtime, before or after school, providing content and activities that support your child's spiritual development, which is important to their overall wellbeing. It also provides your child with an additional adult role model for positive sociable behaviours.

Korus Connect offers the sessions and assesses, trains, accredits and supports Christian volunteers to provide a safe and engaging learning environment for your child.

SRI gives your child the opportunity to:

- Interact with other children in a multi-age, fun setting
- Explore the Christian faith in a safe and supportive environment
- Hear stories and beliefs which help to develop empathy, compassion and kindness for themselves and others
- Be supported in their wondering about the world
- Nurture their desire to make a difference in the world.

## What will my child learn?

- The beliefs, values and stories of Christianity, which have informed Australian society (from our art and architecture to our legal system and cultural values)
- Values, words and concepts that will help them build a strong foundation for life
- To be able to put those values into action through games, songs and other activities
- That life can be full of meaning, purpose and hope.
