LEADERS IN AGED CARE

To All Staff,

Commencing the 3rd of May MANAD will go live for the facility. From midnight the 3rd of May all progress notes, documentation, maintenance requests etc will need to occur in MANAD. Staff will no longer be able to use ECASE for any documentation but will be able to review care plans until the 30th of June.

At present RN's, EN's, Quality and ACFI team are busy trying to ensure that all relevant data is being transferred over for residents with their care planning and tasks so as all information is correct and up to date we have a scheduled plan for this to occur by the 30th of June.

Training has occurred for most staff with a further training session available this afternoon for all PCA's.

The following staff have been trained as super users and you can request their assistance:

Katie Dax

Celeste Kenna

Vik Linke

Daryl Pangrazio

Rosy George

Leanne Gledhill

Sonya Barbary

Charlotte Donnelly

Janae Pendlebury
