About the Presenter

Dear Students, Parents and Carers of St. James Primary,

My name is Paula Jarski. I am a former Victoria Police Detective with more than 24 years of operational experience. I retired from Policing in July 2022. I spent the last 18 years of my career working in the field of Sexual Offences and Child Abuse with seven years managing the legislative compliance and risk management of Victorian Registered Sex Offenders.

Throughout my career I have witnessed the devastating victim impact of online bullying, sexting and online grooming which is why I am so passionate about engaging with students, staff and families on the important issue of Cyber Safety.

I look forward to meeting you all on the 21st March 2023

Paula Jarski
