COME.
EXPLORE.
BELONG.

**WE INVITE YOU TO EXPERIENCE
FIRSTHAND OUR EXCEPTIONAL
LEARNING ENVIRONMENTS,
SPACIOUS SCHOOL GROUNDS
AND OUR COMMUNITY CULTURE.**

ENDEAVOUR COLLEGE is a Christian, coeducational and progressive school for students in Years 7-12. We pride ourselves on our continual commitment in providing an inclusive education for our students and supporting them academically, spiritually, socially and emotionally.

LIFE AND COMMUNITY IN CHRIST

Visit our website for more details on Open Days.

Personal Tours of the College can be arranged outside these times upon request.

For more than 20 years, our balanced curriculum offers opportunities in core academic areas as well as subjects in the Arts, Health & Physical Education, Languages and Technology. Modern, technologically advanced facilities, enhance the learning experience and inspires our students to be knowledge-seekers who pursue their curiosity and passions with a sense of independence and purpose. Small class sizes help our students to develop social and relational skills with peers and staff, strengthening their time management skills while building cooperative team members and resourceful problem-solvers. As a result, our students have the hearts and minds to self-direct their futures, work with others and become influencers in their communities.

Our community culture sets us apart. Relationships are valued and members feel connected, safe and respected – we truly believe this approach fosters an optimal learning environment to fulfill our students' God-given abilities for life and community.
