WHAT YOUR DONATIONS CAN DO

Lives change when we all give 100%

\$5,000

can install a solar-powered water system in a rural school for children like Thandolwayo in the Hwange district of Zimbabwe.

Zimbabwe

\$450

can provide educational resources and teacher assistance for a child in Vietnam living with a disability so they can attend school for a year.

Vietnam

\$250

can provide mentoring and skill-building programs for a community of Dayak people like Tati's, giving income generating skills in ecotourism, enabling them to maintain important cultural links to their land and the forest.

Indonesia

\$100

provides First Australians with nutritional local foods for a community bush picnic to strengthen cultural bonds to community and country.

Australia

\$45

can buy school supplies for a student like Thandolwayo in Zimbabwe, who dreams of becoming a nurse.

Zimbabwe

\$1

will pay for a rural midwife in Bangladesh to visit a mum-to-be, like Salma, for a vital pregnancy check-up in her own home.

Bangladesh

\$12,000

\$10,000

\$8,000

\$6,000

\$4,000

\$2,000

Shade as you fundraise

\$10,000

supports First Australians to train, upskill and gain confidence to lead fellow community members to remain hopeful and connected to country and community.

Australia

\$1,250

helps a remote indigenous community such as Tati's establish a sustainable livelihood in the forests of Indonesia.

Indonesia

\$325

provides the initial training course for a rural midwife who can help mums like Salma in Bangladesh to safely give birth to their babies.

Bangladesh

\$150

provides the opportunity for a child like Nguyet, to attend group learning activities with other children living with disabilities, increasing their confidence and their communication skills.

Vietnam

\$50

will provide a school like Peter's in the Solomon Islands with five metres of guttering to collect valuable rainwater.

Solomon Islands

\$5

can provide a school in the Solomon Islands with a reliable water tap so students like Peter have access to clean water, improving health and education outcomes.

Solomon Islands
