5 Gold	68 – 5	Bye	27 – 17	45 – 25	45 – 15	vs. SLC 5 Gold 40 – 10	

Around the Grounds

6A

A wonderful comeback performance from Finn McGahan, who has finally overcome his injury, helped the boys control the game through some solid runs and timely passes. Clancy Barrett and Harry Bardon combined for over 10 turnovers at the breakdown and our loose forwards defended well for the entire match ensuring a much-deserved win for a resilient squad who has stuck together through some tough, close losses. Well done boys! One game to go.

6B

A shaky start to the game saw Ambrose Treacy take an early 7-0 lead, however a sharp refocus saw the Bs take control of the match to secure a 24-7 win. Depth and ball movement through the backs were key to scoring four unanswered tries; two by Harry Vickery, and one to both Sam Russo and Riley Hansel. A strong all-round team performance this week is a true representation of how hard the boys have been working this season.

6C

The 6C boys played some really good attacking rugby on the weekend. They got the ball out to the wingers where most of the tries were scored. Although lacking in defence, the boys showed that they can win games comfortably without playing their best defensive footy. Big shoutout to Ethan Taylor and Jarvis O'Neill for filling in for St. Peter's.

6 Gold

A tremendously high scoring game was the story of Saturday morning. The Marist boys slotted a few early tries and conversions to take a steady lead and stood strong through a relentless attack by Laurie's. The boys showed incredible grit clawing themselves out of a huge hole to finish within 5 points of Laurie's. Special mention goes out for Jarvis O'Neill for another exceptional performance at the breakdown.

5A

In what is becoming a very bad habit, slow starters the 5As again left it to the second half to get the job done as against a dogged Ambrose Treacy. After watching a clinical performance from the MCA 5B side the boys thought that their game would follow in the same way, but it was not to be. With the scores locked at 7-7 the boys needed to go back to playing a simple brand of rugby, truck it up through the middle and then get the ball wide. The points eventually came and the 5As were comfortable victors, but again need to work on their first 10 minutes if they want the win against what will be a strong SPC opponent.

5B

The size and speed of the Marist 5Bs left severely outclassed Ambrose Treacy in their wake. A 56-0 half time score line had the boys chasing a century but a refocussed ATC defensive line stemmed the tide in the second half. Special mention must be given to captain, Zaiden Cook, for his individual 30-point tally and three-try hero Connor O'Rourke for his barnstorming runs and hard-hitting defence.

5C

The Marist 5Cs took on St Laurence's at home in a hard-fought game Marist ended up on top. 35-14. Eoin Doyle was a stand-out and was awarded most valuable player on the field. The team worked very well together and it is fantastic to see some real improvements developing.

5 Gold

5 Gold found themselves up against a much stronger St Laurence's team this week. Winning the early season encounter by quite a large margin there was a sense of confidence in the air, however after the first minute the boys realised this team had improved massively. The team pulled together and put up a fight to win the game 40-10. A special shout out has to go to Cody Bedford and Henry Sloman for their performances as well as Jack Martin for his team orientated performance. With one week to go we're looking to finish the season undefeated.
