

Rocky River Public School

Works notification | 6 May 2025

Dear staff, parents and carers,

Further to the water testing notification on [5 March 2025](#) regarding the drinking water quality test results for Rocky River Public School, remediation work has been completed by a qualified and accredited tradesperson following advice provided by an independent hygienist.

Re-testing of the affected tap outlet by an independent hygienist has returned results which meet the requirements of the Australian Drinking Water Guidelines.

Access to the library sink used for handwashing has been restored and can continue to be used by students and staff.

The health and wellbeing of students, staff and the local community is our highest priority.

Thank you for your cooperation during this important work.
