

Courage

We show courage by trying
our best and being problem
solvers.

Trying our best means doing our work as neatly as we can and not rushing.

I'll have a
go!

Trying our best means we say “I’ll have
a go”.

How to make a WOW picture!

1

- one thing
- pencil
- one color

2

- some details
- pencil
- two colors

3

- more details
- outlined
- a few colors

4

- lots of details
- outlined
- lots of colors
- neat

Trying our best means adding details
to our pictures.

BIG PROBLEMS
are when things
are **DANGEROUS**
and you are
feeling **SCARED**.

Luckily, most problems
you'll have are
SMALL PROBLEMS.
Those make you feel
annoyed or **sad** or
frustrated.

Problem Solvers know the difference
between big and little problems.

I need help

Problem Solvers ask for help from students, the teacher or other adults.

Problem Solvers ask 3 other students before asking the teacher for help.

Ignore

Talk it Out

Walk Away

Take Turns

Apologise

Take a Break

Problem Solvers are conflict resolution superstars and know to fix arguments.

Problem Solvers know what the right and wrong things to do are and remind their friends.
