

# Touching Other People

*Intentionally Safe, Known, Respected, Heard, Engaged*

We all  
have our  
own  
bodies.

*Intentionally Safe, Known, Respected, Heard, Engaged*

It's important to ask if I want to touch someone else's body.

*Intentionally Safe, Known, Respected, Heard, Engaged*

If I want to  
give a friend a  
hug, I can ask  
*'Can I give  
you a hug?'*

*Intentionally Safe, Known, Respected, Heard, Engaged*

If they say  
'yes', I can  
give them a  
hug.

*Intentionally Safe, Known, Respected, Heard, Engaged*

If they say  
'no', I can  
wave at  
them or say  
'hi' instead.

*Intentionally Safe, Known, Respected, Heard, Engaged*

Adults at school  
can not give hugs  
or high fives to  
students.

They can wave  
and say hi.

*Intentionally Safe, Known, Respected, Heard, Engaged*

If someone  
says no to  
touch, I should  
**not** touch  
them.

*Intentionally Safe, Known, Respected, Heard, Engaged*

Everyone is in  
charge of  
their own  
body.

*Intentionally Safe, Known, Respected, Heard, Engaged*

Being able to  
say no to  
being  
touched is  
important.

*Intentionally Safe, Known, Respected, Heard, Engaged*

I can be a good friend by respecting my body and other people's bodies.

*Intentionally Safe, Known, Respected, Heard, Engaged*

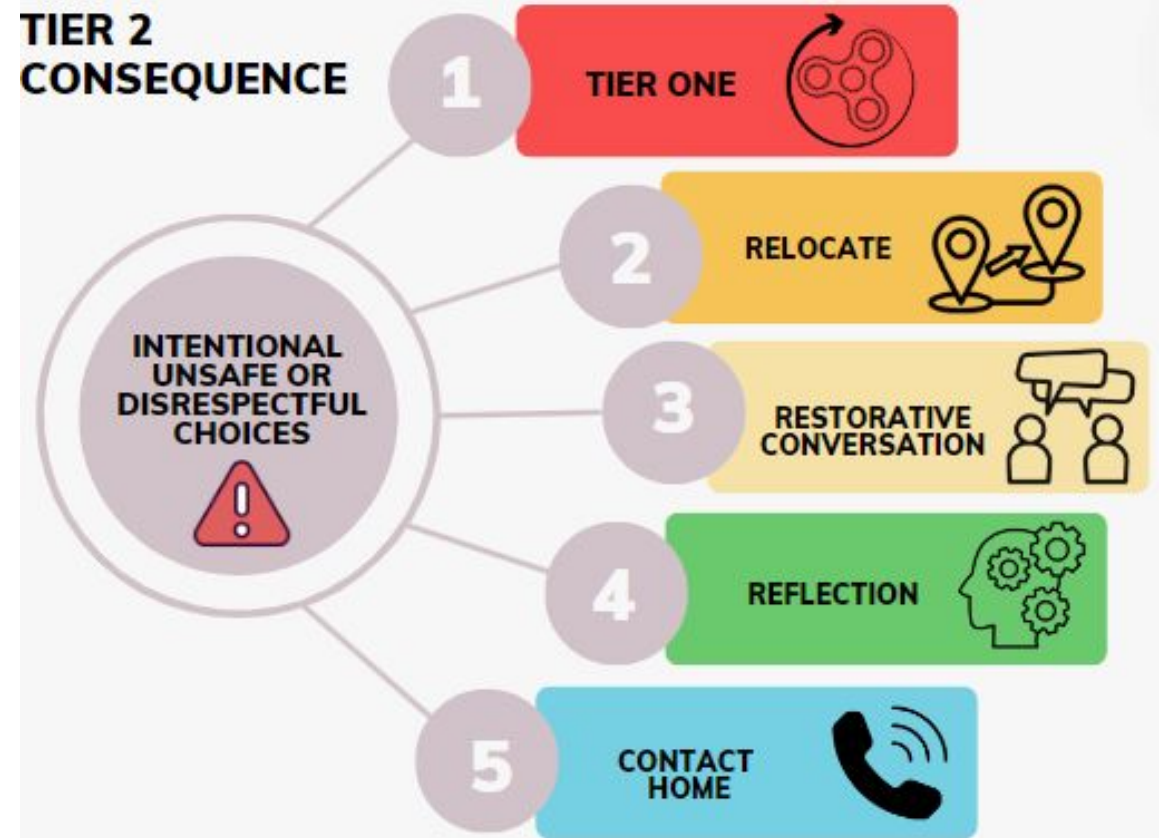

If I do touch  
other people on  
purpose, without  
their  
permission.....

*Intentionally Safe, Known, Respected, Heard, Engaged*

I will have to go to another area for some time to think about my actions.

My parents will be told about this.

*Intentionally Safe, Known, Respected, Heard, Engaged*

At St Thomas the Apostle PS, we all have the right to feel safe and respected.

If we need to talk to someone, we can speak to our 5 trusted adults.

If I have a worry I can go to...  
MY 5 trusted adults
