Overnewton Anglican Community College

Nomination Form: Overnewton Parents and Friends Committee 2027/2028

Overnewton Anglican Community College is proud of the meaningful contribution our families make across all areas of College life. A key element of this involvement is our Community Engagement Program - a distinctive and valued initiative that fosters connection, belonging and shared purpose within our community.

The Parents and Friends Committee plays an active role in supporting a wide range of College initiatives, focusing on fundraising, volunteering and advocacy events that directly enhance student experiences and opportunities.

Elections for new committee members are held every November, and it is important that we can draw on the experience of parents/guardians who have been at the College for some time, as well as those who are new to the College. The 2026 Annual General Meeting will be held at Yirramboi Campus on Thursday 19 November 2024.

Parents/guardians that are interested in becoming a member of the Parents and Friends Committee must be nominated for election by two current College Parents/Guardians who are members of the Parents and Friends Association (all parents of the College are members).

If you would like to be nominated or if you would like to nominate another parent this "Nomination Form" must be completed and emailed to the Parents and Friends Committee Secretary, Amanda Paredes at parentsandfriends@overenwton.vic.edu.au, by 5pm Thursday 12th November 2026.
