Water watchers / Incur'sion

Today we went to room Seventeen, to

have a water 'incur'sion. We learnt

how to save water. First we watched

a video there was a man who

was brushing his teeth but he forgot

to turn off the tap. So Welly one

of the water watcher, so he helped.

There names are washy, wade, wavy

and welly. We played a game that

Name: Amelia

is called the washing machine game

we sorted all the clothes into a small

or large or medium It was so fun

I felt happy!

GREAT WORK! ★
