

## TheirCare Ripponlea Primary School (Outside School Hours Care)

Greetings to the RPS community!

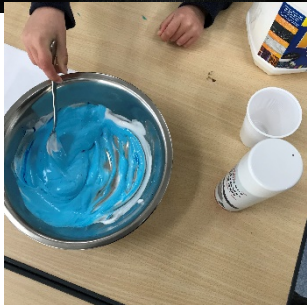

### What we did for the last 2 weeks

The last 2 weeks, children had fun setting up their own bowling game and practice their hand eye coordination in the bowling competition.

Children also continued their interests in playing the board game "Snake and ladders". This game was drawn by children and rules were made and added as they play.

For experiments, we had fun making colourful snow with shaving cream and baking soda and experimenting fluffy snow painting.

Children also initiative their spontaneous play making the big water park and a decoration tree with the branches we collected from outside.

### Spring holiday program is coming!!!

This spring holiday is themed Ocean Odyssey with something new every day. There is a mix of science, crafts, games, cooking, sports, special activities and incursions. We will be operating from 7am to 6pm during the school holiday. To book in or for more details about what are the activities we have for each day, please check TheirCare website or simply send us an email requesting more information. Looking forward to seeing you in the super fun and exciting holiday program!

We are always here to support you and your families, please don't hesitate to contact us for any questions or suggestions for our program!

Wishing you all well from TheirCare.

Xia (Nancy) & Thomas
