
Kickstart your career with a traineeship at Reece!

Apply today for a
School-based Traineeship
at Reece to earn while you learn

Certificate II in Supply Chain Operations
Certificate II in Retail Services

What's it all about?

- *The Reece Group is an international company that is the industry leading supplier of plumbing products. They have been supporting plumbers for over 100 years. They specialise in general plumbing, irrigation and pools, refrigeration, heating and cooling, and more!*
 - *Partnered with registered training organisation Murray Mallee Training Co Ltd, Reece have been offering School-based Traineeship positions for over 15 years.*
 - *A School-based Traineeship is an opportunity for year 10 & 11 students to get started in their careers while still in school.*
 - *You'll be released from school at least one day a week to work in a Reece Branch, getting hands on experience. Most branches also require Saturday availability.*
 - *Earns you a nationally recognised Certificate II in Supply Chain Operations or Retail Services. All your training and workbooks are done on the job so you can earn while you learn.*
 - *Ideal for students interested in warehousing, trade apprenticeships, retail, or interior design.*
-

Why learn with us?

- *Excellent foundation courses that will teach you skills that transfer to many different industries.*
 - *You will earn above industry average pay while working.*
 - *With a traineeship at Reece you will get personalised, one-on-one training with an assigned training consultant.*
 - *Continue to grow your career with us. Many of our completed trainees work across our network as drivers, counter staff, consultants, even branch managers. Reece also offers further accredited learning for all their staff.*
 - *Make connections with trade and industry professionals that may help you get an apprenticeship.*
 - *A third of our trainees go on to apprenticeships.*
 - *Nervous about starting? Hit the ground running with Reece's brand-new onboarding support system. Reece have recently invested heavily into their online learning space, so every tool you need is at your fingertips.*
-

Supply Chain Operations

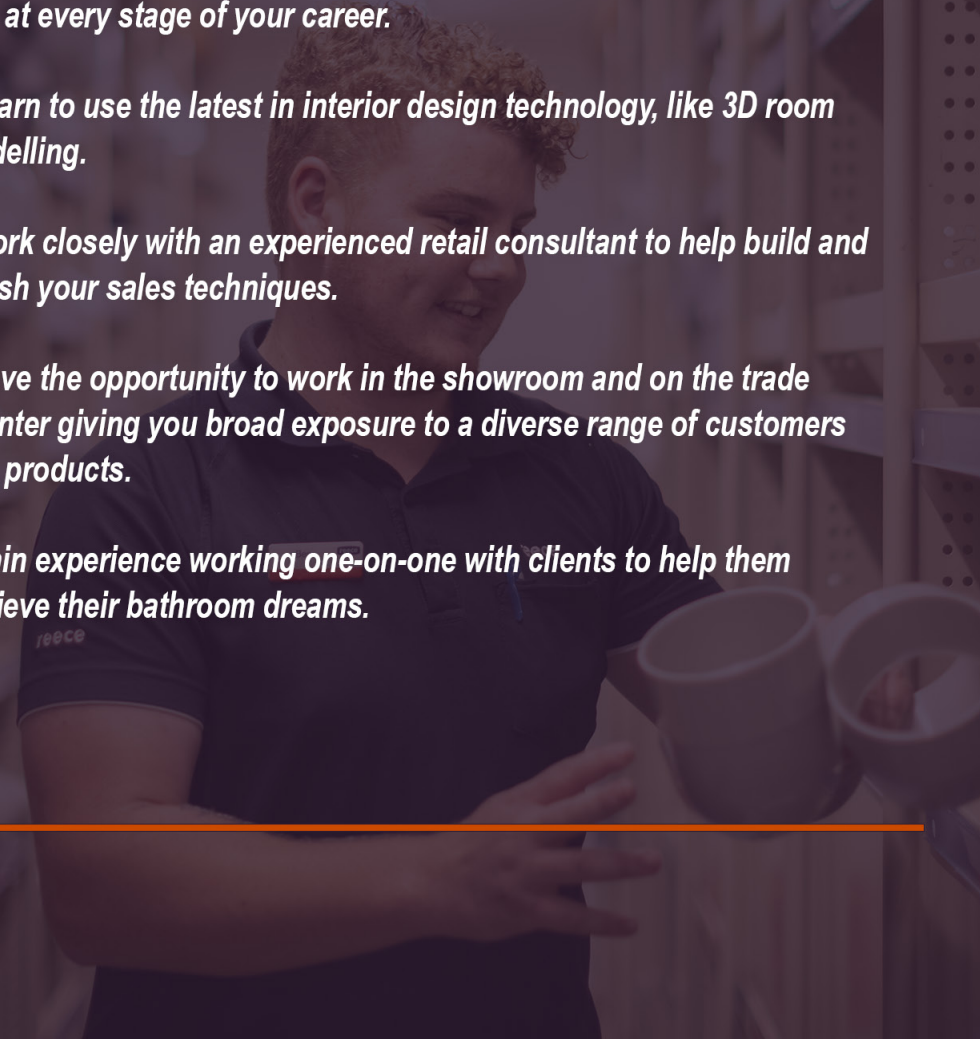

- *Ideal for students interested in warehousing, trade apprenticeships, and retail.*
 - *Skills in Supply Chain Operations can lead to a career in warehousing, transport and logistics, distribution and more. At Reece you will also grow your skills in retail and customer service.*
 - *Develop skills and knowledge in fundamental supply chain processes e.g. receiving and despatching orders.*
 - *Interested in an apprenticeship? Working at Reece can give you a head start by connecting you with trade professionals and teaching you about hundreds of essential trade products.*
 - *This role is focused on customer service. You will learn how to excel in a retail environment and build strong relationships with customers and clients.*
-

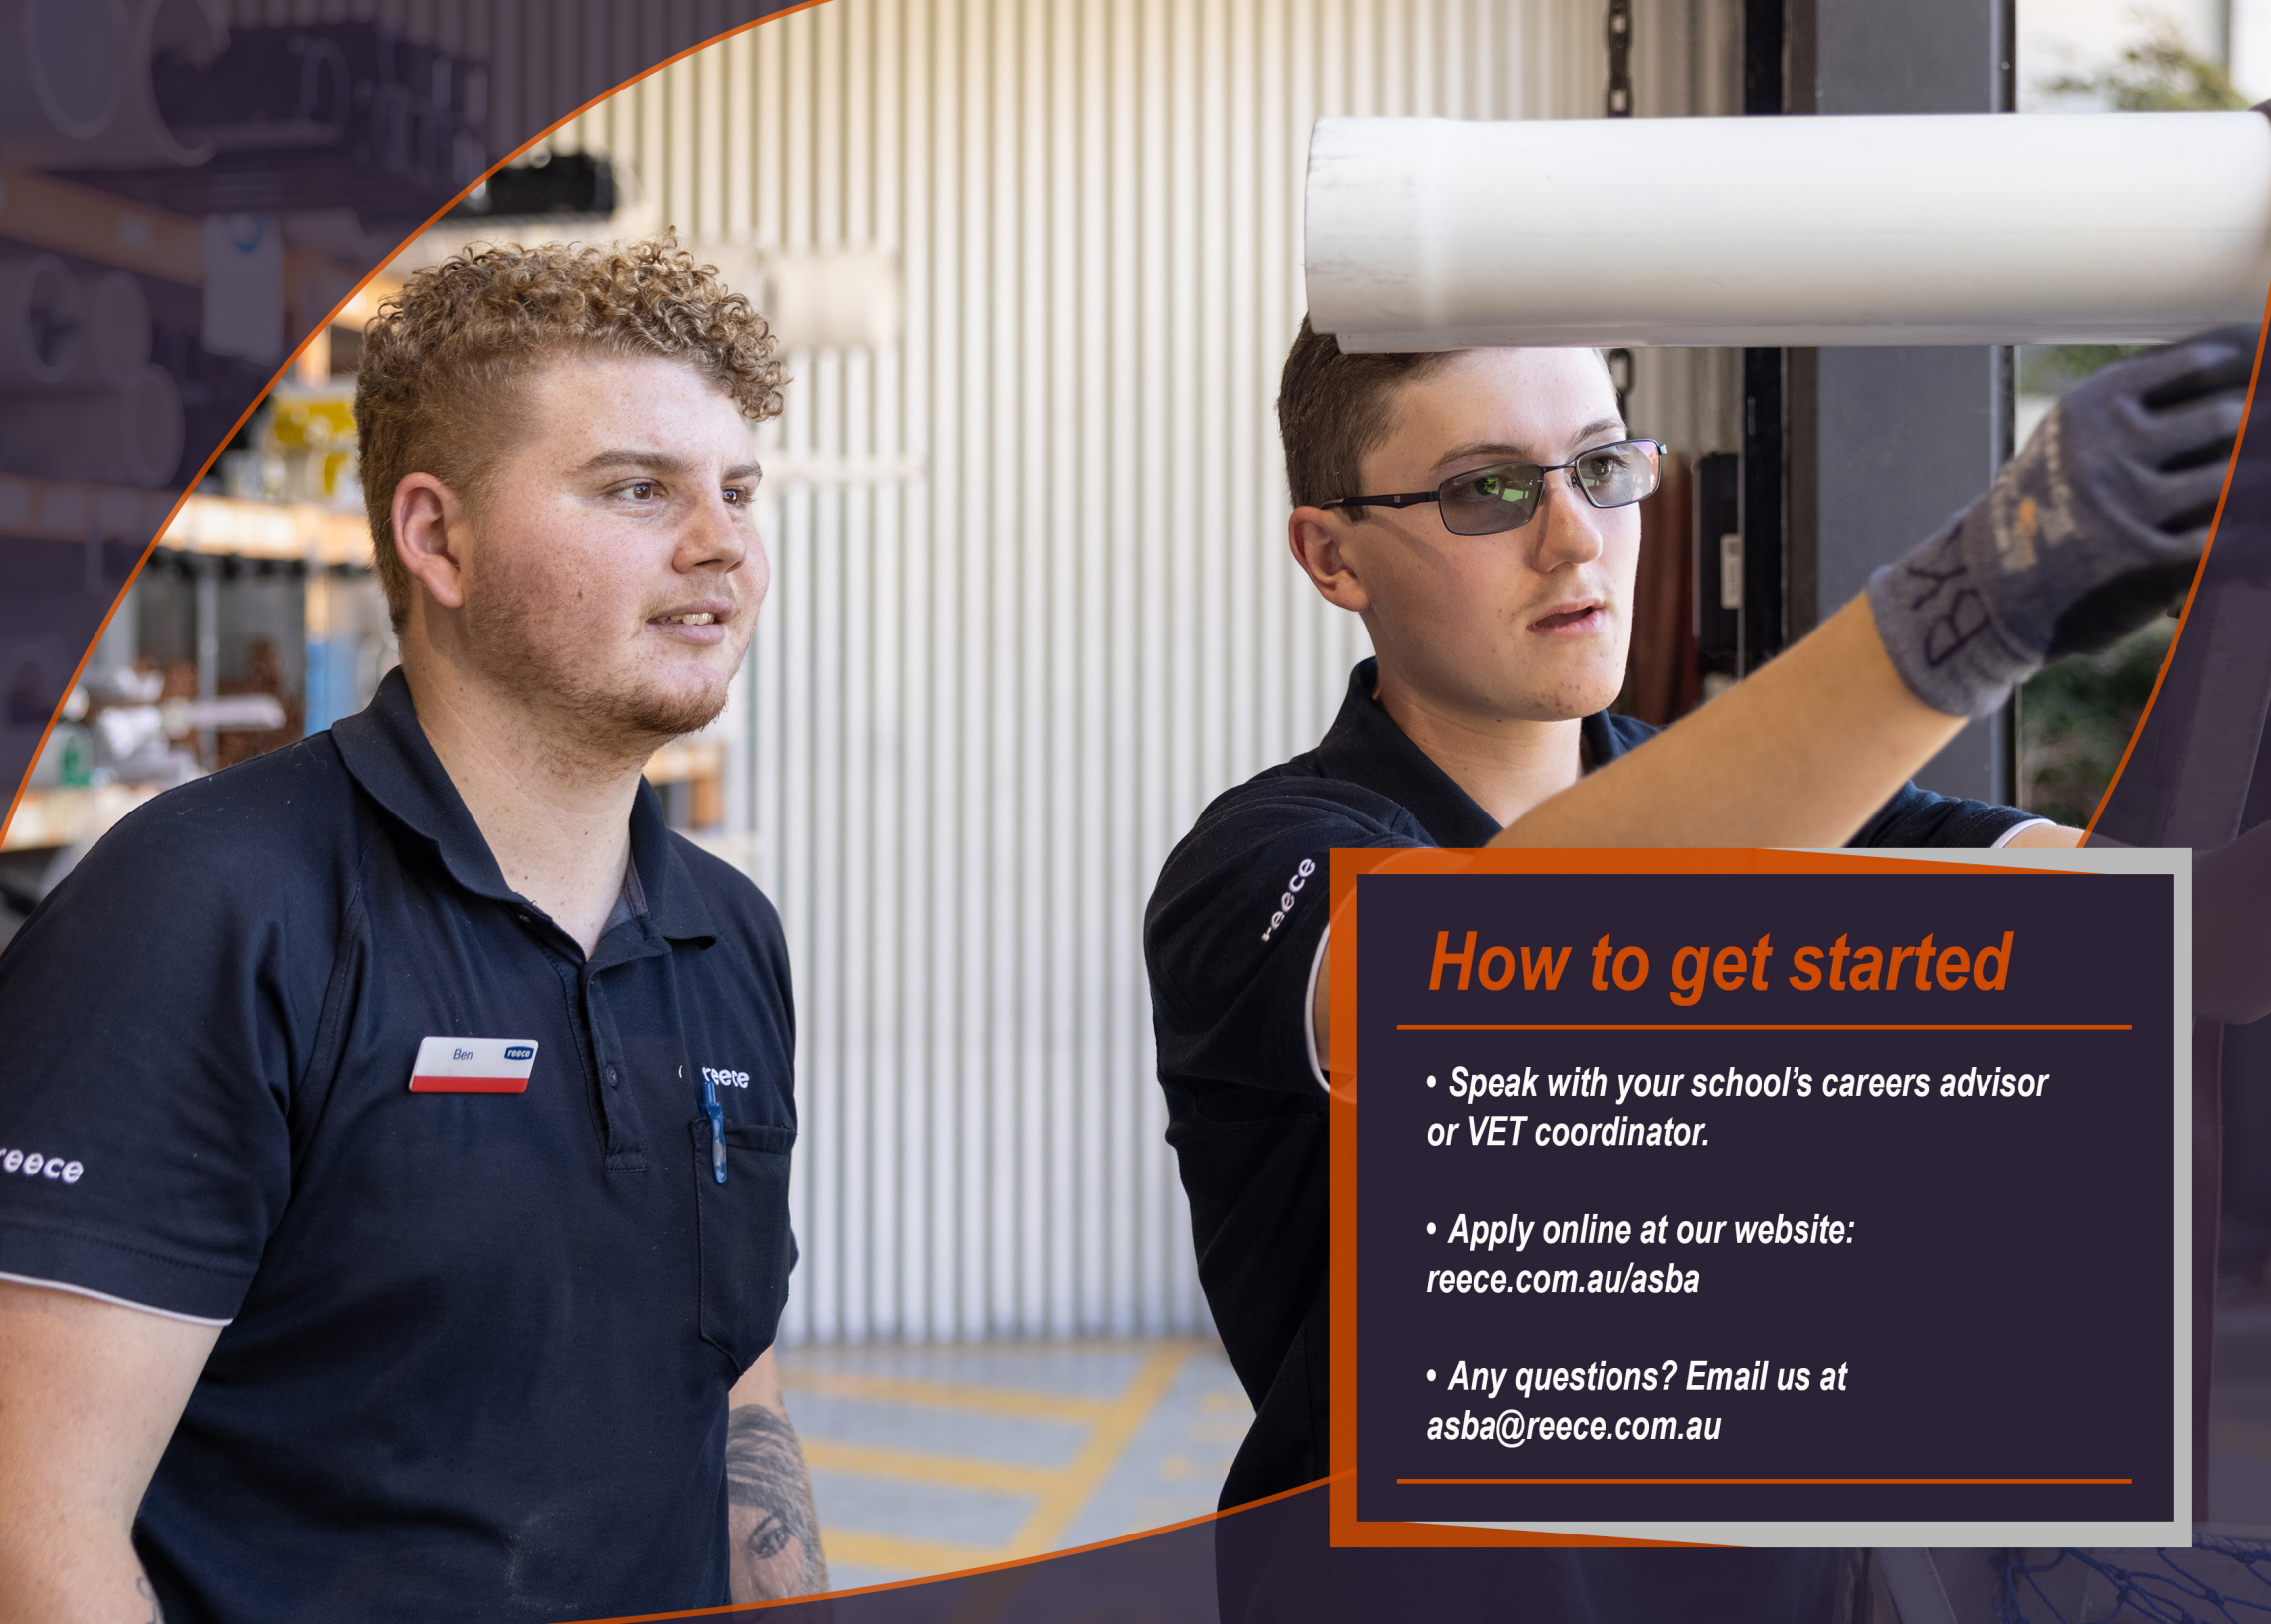

Retail Services

- *Perfect for students interested in gaining experience in all areas of retail, sales, and interior design.*
 - *Develop excellent customer service and retail skills that will help you at every stage of your career.*
 - *Learn to use the latest in interior design technology, like 3D room modelling.*
 - *Work closely with an experienced retail consultant to help build and polish your sales techniques.*
 - *Have the opportunity to work in the showroom and on the trade counter giving you broad exposure to a diverse range of customers and products.*
 - *Gain experience working one-on-one with clients to help them achieve their bathroom dreams.*
-
