## Around the Grounds

---

### 6A

The boys produced a strong performance in the field this week, bowling accurately and backing it up with excellent fielding, including two run outs. Lachlan Mitchell and Henry Vos were the standout bowlers, helping restrict Ambrose Treacy to just 74.

In reply, we batted well with Charlie Davis and James Clapham both getting solid starts at the top of the order. Connor Leung continued his strong form, finishing with a quick 18 off 13 balls to help guide the chase.

It was a good result for the lads and a nice early finish heading into a couple of big games to close out the season."

### 6B

### 6C Blue

### 6C Gold

Marist 6C Gold posted a valiant loss to Villa 6C this past weekend in some dreary weather, against a solid batting attack.

The first innings began with a wicket on the second ball from Austin Given which started us off well, but unfortunately for us the Villa side were dominant in batting and began to create partnerships throughout. However, this team never gave up and put their heads down and continued battling away eventually taking them to 6/131. I also want to shoutout the boys for their ability to shrug off the chat from the other team who were consistently chirping, and our team took the high road and didn't stoop down to their level.

After that the boys began their batting innings with a handful of unfortunate run outs which put us on the back foot right of the bat, after that many partnerships were made especially between Harry Fleming and Austin Given, and Harvey Coronas, who each hit over 20 runs in their attempt to claw the team back into the battle, unfortunately we just couldn't get over the line, however I'd like to tell the boys to keep their heads up high for an entertaining game which they never gave up on. Look forward to seeing them at training (weather allowing) and onto the next game."

### 6D

Marist 6D produced another strong all-round performance to defeat Padua 6D after choosing to bowl first.

Marist's bowlers set the tone early, keeping the pressure on Padua with accurate and disciplined bowling. Ben delivered a standout spell, including a maiden over, and finished with impressive figures of 1/9. Once again, the opposition commented on the strength and consistency of Marist's bowling attack.

Bede made an important breakthrough, claiming a wicket to slow Padua's scoring. Henry, Arthur and Raphy also bowled well.

Behind the stumps, Sam and Harry both did a great job as wicket keepers, staying alert and supporting the bowlers with safe hands and clear communication.

In the field, Marist backed up the bowlers with excellent effort and awareness. Bede was particularly impressive, producing sharp fielding that resulted in a well-executed run out, helping to keep Padua under pressure.

Overall, it was another disciplined team performance, highlighted by strong bowling, energetic fielding and great teamwork, securing a well-deserved win for Marist 6D. 🏏

### 5C Gold

### 5D Blue

Marist 5D Blue chased down Villanova's 5D team in a strong showing. After choosing to bowl first, the boys started slowly but began to take wickets consistently. Ethan Witter (2/3) and James Pointing (1/4) provided strong performances, as well as Oscar Brown and Jackson Stark.

After Villanova totalled 70 runs and opened their bowling with extremely strong bowling, the boys initially struggled. However, Harvey Craig opened the batting with confidence and skill, scoring 10 off 12. Jackson Stark also batted exceptionally against Villanova's bowlers. Lyndon O'Reilly closed the game out, scoring 9 off of 8 balls, securing the win for Marist.

### 5D Gold

### 5D White

It was a strong team performance with everyone contributing across the game. After winning the toss and batting first, the boys worked hard to build partnerships and keep the scoreboard ticking.

Zach led the way with a solid 12, while Ethan (12) and Reuben (8) provided valuable runs through the middle order. Contributions from Callum (5), Charlie (6), Rocco (8) and Ollie (7) helped push the total along and ensure we posted a competitive score.

With the ball, the team backed it up with a disciplined bowling effort. Ethan was outstanding, finishing with 2/4 from 3 overs, while Pat also picked up 2 wickets for 15 runs. Zach and Reuben chipped in with a wicket each, helping keep pressure on the opposition throughout the innings.

The bowlers were well supported in the field with some sharp work that helped maintain control of the game. Overall, it was a great team effort with contributions from everyone.
