

PHYSICAL EDUCATION - HEALTH NEWSLETTER

Term 3, 2026

What we're learning

This term we have had a focus on Netball, basketball, AFL and Rugby League where we learnt new skills across these sports.

We also had our Life Saving Victoria incursion where we learnt all about water safety.

We were joined by AFL Victoria coaches who joined us to help teach some skills including how to handball and kick.

Throughout the term, the students worked on cooperating with others, taking turns, sharing equipment, and showing kindness and respect during games and group activities.

Upcoming Events - Term 4

- Colour Run (Nov27)
