DONCASTER SECONDARY COLLEGE
SPACE CAMP/STEM TOUR 2019

Name:.....

Year Level:.....

In 100 words or less, describe yourself. This may include any strengths and skills that you possess, future aspirations and participation in extra-curricular activities.

Why do you want to go on the USA Space Camp / STEM Tour 2019?

What knowledge and skills do you think you will gain by participating in this tour?

How do you think this experience will enrich your understanding of STEM – science, technology, engineering and mathematics – beyond the classroom?

The price of this camp and tour is approximately \$7 500 (subject to change due to international price changes). This includes all international and domestic flights, within the United States of America, accommodation, transfers, coach travel to and from destinations, entry and participation in all the activities, travel insurance, ESTA visa, all meals at Space camp and all breakfasts throughout the tour. A valid passport with at least 12 months prior to the expiry date is required!
