

WHAT'S BEEN HAPPENING

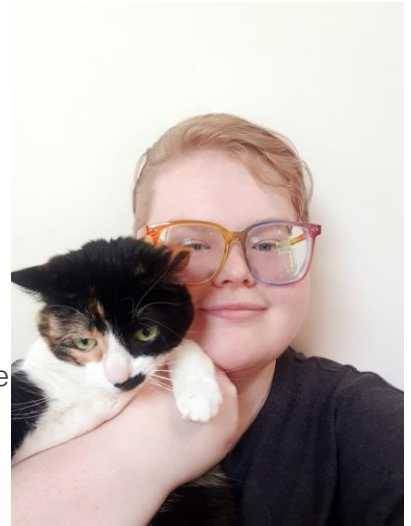

Hello Families 😊

I hope you are doing well and have enjoyed the first term of the school year. There will be more excitement in the next two weeks for easter celebrations and the school holidays that are approaching so fast!

I wanted to take the time to introduce a regular educator that assists me at the service in the after-school and vacation care.

My name Cileah also known as Ci. I am a casual educator that regularly works at TK Skye. I'm studying a bachelor in biomedicine and a certificate in allied health assistance. I've been working with children for a year and a half, and I really love it specially engaging with the children in games, helping them through tough moments and teaching them the world.

If you require any assistance, please reach out when you see me next!
