OSHClub Regional Director	Sarah Magowan

What have we been up to this Term?

Welcoming our new preps into OSHClub

This term, the OSHClub team here at Corpus Christi have collaborated to ensure a smooth transition for our new prep children starting school. We have built relationships with the families by showing them around our program, introducing them to our Class Dojo platform and ensuring their children feel safe by walking them over to class and picking them up. Our prep children have settled in so well and are having so much fun. The other children are also making them feel welcome by including them in activities and helping them. When organising the end of term party with the children, a prep student told all his friends in his class, he was so excited! He said, 'We are having a party at OSHClub!' It's incredibly rewarding for all of us to see our new prep children have an amazing time while at OSHClub.

Term 1 highlights:

- Playing hairdressers and creating their own salons
- Connect 4 tournaments
- Making pizza
- Writing letters and showing kindness to each other
- Making rice paper rolls
- Learning about aboriginal symbols and creating our own stories using the symbols
- Working together on Dojo Islands
- Watercolour painting
- Creating Kahootz quiz's
- Homework club
- Building forts
