

Works notification

Upcoming works and disruptions in June and July

We've removed the level crossing at Mt Derrimut Road by elevating the rail line to reduce congestion, and we've opened the new Station, creating a safer, better-connected Deer Park.

In June and July, there will be changes to the way you travel while we continue works at Deer Park Station and on nearby roads. From June we'll continue:

- building the new Deer Park Station, pedestrian forecourts and new northern station car park
- building the new bus interchange and southern car park
- landscaping works in and around the new station precinct

Deer Park Station works and access changes

The new Deer Park Station is now open to passengers. Temporary access arrangements are in place while we complete works on the station. Passengers who are currently unable to access the platforms can use an accessible shuttle service to connect to nearby stations from the temporary commuter car park on Station Road. Visit ptv.vic.gov.au/vline for information about shuttle buses, access arrangements and station facilities.

The bicycle Parkiteer will close from mid-June to late July while station works continue. Please follow signage to temporary bicycle parking nearby.

Upcoming night works

We'll work overnight at the new station and within the rail corridor:

- Friday 16 June, Saturday 17 June, Wednesday 21 June and Thursday 22 June
- Wednesday 5 July; Saturday 8 July to Tuesday 11 July; Wednesday 19 July

There may be other times in June and July when we will need to work at night. Impacted residents will be notified in advance. We'll make every effort to complete works on schedule, however dates are weather dependent and subject to change.

What to expect

You may notice truck movements, noise, dust and vibration during these works. When we work at night, additional lighting will be in place and will be directed away from residential properties where possible.

Changes to the way you travel

Pedestrian detours, lane closures and parking changes will be in place at times on Mt Derrimut Road, Station Road, Tilburn Road, Railway Parade/South and Eagle Way. For your safety, please follow the signage and traffic management in place.
